PRESIDENT'S MESSAGE (DR. RUBY S. Y. LEE)

This is our College's first paperless annual report and also my first one as President of our College.

2011 has marked our new 2011-2013 CME/CPD triennium cycle. For this cycle, we have changed from an annual to a triennium requirement. This change will allow participants to better plan and organize their lives in the coming three years. Dr. Billy Chiu, Chairman of the Quality Assurance & Accreditation Committee and his committee members have been working hard to monitor the impact of the change to our QA program.

The Board of Vocational Training & Standards under Dr. Quincy Yuen and his board members have revised the training requirements and contents of our current four years basic training program which will comprise of more community-based training rather than a strict two years rotation of hospital-based training. The new program is now in the fine tuning stage.

The Specialty Board under Dr. Wendy Tsui and her board members have developed changes in the Clinical Audit and Consultation Skill Assessment segments of the Exit Examination. Trainees can submit either a clinical audit or a research paper from 2013. The purpose is to encourage our future fellows to develop skills and interest in research. The on-site Consultation Skill Assessment will be changed into video-tape assessment in 2012. The change aims for better assessment of the actual daily practice of candidates.

This is the 25th year of our Conjoint Fellowship Examination with the Royal Australia College of General Practitioners. I would like to thank the RACGP for the continued advice and support. I would also like to congratulate the Board of Conjoint Examination under Dr. Peter Chan and his board members to have run the Examination flawlessly with their hard work, experience and wisdom. On the day of the OSCE Examination, examiners, candidates and staff worked together as a team whole-heartedly to this very important event which allows no mistake.

The Board of Education led by Dr. Mary Kwong and her board members has organized a great number of educational activities with good varieties. I would like to express my most sincere gratitude for their excellent work which represented the good tradition of our College.

A new board, the Board of Professional Development and Services, was established last year to organize and develop educational activities for medical and health professionals outside Hong Kong in relation to family medicine as well as liaise and coordinate with other boards of the College for activities of the Board. There is evidence that countries with more trained generalist family doctors are more likely to have better health outcomes, lower costs and greater satisfaction. Not only will financial resources be saved but also effective efficient use of high technology. Primary health care is the best route to universal access, the best way to ensure sustainable improvements in health outcomes, and the best guarantee that access to care will be fair. Dr. Lau Ho Lim, Deputy Chairman of the Board and the board members have worked hard to organize and provide educational activities for colleagues in various parts of China. The growing demand for our Family Medicine education indicated an increasing emphasis on Family Medicine in our country. With increasing common values among us, we should strive to improve the status of Family Medicine to thrive together.

The Board of Diploma in Family Medicine under Dr. Simon Au and his board members have worked hard not only to provide an intermediate step to fellowship qualifications in Family Medicine so as improve standards and quality in the practice of Family Medicine, but have also extended their services

to Macau Health Department for the practicing primary care doctors there this year.

The Public Education Committee led by Dr. Edmund Lam and his committee members have continued to deliver health education to the public through various channels including regular publications in various newspapers. Dr. Lam has also led publicity campaign to promote the concept of family doctor in collaboration with Primary Care Office of Department of Health.

The External Affairs Committee under Dr. Gene Tsoi has organized a series of radio programs cohosting with specialists of other specialties to illustrate the professional relationship of Family Medicine specialists to other specialties in this summer. To promote Family Medicine, censors and council members including Drs. Stephen Foo, Donald Li, Angus Chan, Edmund Lam, Billy Chiu and Quincy Yuen have represented College in various media interview. I would like to thank all of them for their good work.

Primary care is the work of health care professionals who act as a first point of consultation for all patients. We family physicians provide not only primary care, but are also coordinators of our patients' overall health care. We have therefore widened the scope of our previous annual scientific meeting to enhance collaboration and experience sharing among all providers. The first Hong Kong Primary Care Conference (HKPCC) "A New Frontier" organized by our College had been held on 28 – 29 May 2011. The organizing committee under Dr. Cheung Man Kuen and her committee members has worked hard to make this event a success with over 400 participants.

I am most delighted to find that many of our trainees are interested in research. Primary care is now a WHO priority with tremendous potential in research and publications. Besides our unique experience in health care, we are also part of China, a nation with an important role in world's health with emerging primary care. Hong Kong is also part of Southeast Asia, a global microsome with huge diversity. Primary care research can provide answers to many common clinical questions. The Research Committee under Prof. Samuel Wong and his committee members will continue to promote primary care research.

The Editorial Board under Prof. Samuel Wong and his board members, and the FP Links Committee under the Chairlady Dr. Wendy Tsui and Chief Editor Dr. Catherine Ng have worked hard to enable the quarterly publications of our journal the Hong Kong Practitioners and the monthly publications of our FP Links respectively.

The hard work of our secretarial staff led by Miss Erica So, House Management Committee under Dr. Dorothy Law, Business Manager Dr. Mary Kwong, Finance Committee under Dr. Lau Ho Lim, Council Member on Duty System under Dr. Tony Lee, Web & Computer Committee under Dr. Mark Chan, and Internal Affairs Committee under Dr. Billy Chiu has enabled the daily operation of our College.

Many council members have also contributed through representation of our College in various professional committees including Dr. Angus Chan in the Education Committee of the Hong Kong Academy of Medicine; Dr. Gene Tsoi in three Task Forces on Conceptual Model and Preventive Protocols, Primary Care Directory, Task Force on Primary Care, and Delivery Models, Working Group on Primary Care; Dr. Daniel Chu & Dr. Mark Chan in the Medical Manpower Planning Committee of the Hong Kong Academy of Medicine, Dr. Peter Chan in Working Group on Alcohol and Health, Steering Committee on Prevention and Control of Non-communicable Diseases, Dr. Lau Ho Lim in Task Force on Hong Kong Code of Marketing of Breastmilk Substitutes, Self Learning Kit on Breastfeeding for Medical Professionals, Project Planning Committee, CAG of Hong Kong Reference Framework for Preventive Care for Older Adults in Primary Care Settings, and University of Hong Kong Health Services

Committee; Dr. Angus Chan in CAG of Hong Kong Reference Framework for Preventive Care for Children in Primary Care Settings; Dr. Tony Lee in Working Group for Revision of Teaching Kit for the Exercise Prescription Project; Dr. Liang Jun in the Scientific Committee of Hong Kong International Cancer Congress etc

In the Medical Faculty Graduation and Prize Presentation Ceremony of the University of Hong Kong on January 15, 2011, Professor Sir David Todd said in his speech, "I hope many of the new graduates will become generalists. The generalist has a holistic approach. More Family Physicians are needed. Family Medicine is now a specialty in its own right and higher education and training is organized by the Hong Kong College of Family Physicians. A core of facts required to practice medicine together with communication skills and an understanding of social and ethical issues can be taught and continued into postgraduate training. Understanding and caring come from the experience of life. Role models are important."

To deliver holistic care requires good understanding and integration of a wide spectrum of updated evidence based medical sciences, social, ethical and human issues, communication skills and kindness. Our College is indeed honoured to serve the postgraduate education and training in Family Medicine. Hong Kong's primary care needs strengthening in its role. I hope we will continue to be role models for our next generation.

Last but not least, I must thank my Chief Censor Prof. Cindy LK Lam, Censors Dr. Stephen KS Foo and Prof. Donald KT Li, and Immediate Past President Dr. Gene Tsoi for their valuable advice and guidance; my Executives Drs. Angus Chan, Mary Kwong, Dorothy Law, Lau Ho Lim and all council members who shared a lot of the duties and assignments. I have to thank all the secretariat staffs under Ms. Erica So for their dedication and hard work. As always, my heart is with our College.

HONORARY SECRETARY'S MESSAGE (DR. LAW TUNG CHI)

There are 11 council meetings conducted in October 2010 to October 2011 and the regular activities of college run smoothly in 2011. This year we have 32 successful exit examination candidates and 42 successful candidates passed conjoint examination Part I Written and 28 passed Part II OSCE. Although the demand in Diploma of family medicine (DFM) has drop over the past years, college serves the purpose of promoting family medicine education and continues to conduct DFM for 9 candidates this year. We have 28 new basic trainees. There are 71 colleagues enrolled into higher training.

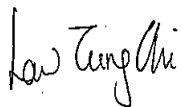

In order to promote primary health care, we co-organized with Primary Care Office, Department of Health and Nursing school of University of Hong Kong the first Hong Kong Primary Care Conference on 28-29 May 2011. It is the first conference that involve multi-disciplinary of primary health care and it gave a good start for future conferences.

In 2010, we have introduced research as alternative examination component to clinical audit in exit examination. This year in order to keep up our standard in exit examination and improve the validity of consultation skill assessment of exit examination, a new format of video recorded consultation assessment will replace the old formation of sit-in consultation examination.

The demand of development of family medicine has grown not only within Hong Kong but also over our neighborhood Macau. Our college has the delight to share our training and education with doctors of Macau by experienced doctors of the newly formed broad of Professional development and Service and broad of DFM.

Back to contribution to Hong Kong people, in order to reflect our role of health promotion and disease prevention, this year we have held a flu vaccination campaign. The message on reminding people of Hong Kong to seek medical advice from their family doctors for annual flu vaccine was passed through the media.

Last but not least, the smooth running of our college depends on numerous diligent member and staff of college. I would like to thank all of them.

Dr. Law Tung Chi

Candidates Information Seminar

An information seminar for candidates sitting the clinical segment was organized on 20 June 2010. 31 candidates attended. The purpose was to provide first-hand information on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help our candidates to better prepare for the examination and to minimize their anxiety and misunderstandings. Interactive sessions with video-taped scenarios were also conducted.

The Conjoint Fellowship Examination

Written Segments:

KFP	12 September 2010 (Sunday)	HKAM Jockey Club Bldg
MCQ	19 September 2010 (Sunday)	HKAM Jockey Club Bldg

Clinical Segment:

OSCE	31 October 2010 (Sunday)	Princess Margaret Hospital
------	--------------------------	----------------------------

External Examiners from RACGP

Dr. Jennie Kendrick (Censor in Chief) and Dr. Mark Overton (Censor) were the visiting External Examiners from RACGP this year for the OSCE Examination on 31 October 2010.

Number of candidates

There were altogether a total of 109 candidates sitting for this year's examination, with 90 and 19 candidates of Category I and Category II respectively.

72 candidates sat for the Written Segments (57 Cat I and 15 Cat II candidates), while 53 candidates sat for the Clinical Examination (40 Cat I and 13 Cat II candidates).

Security

Strong emphasis was put on the security measures as in previous years. All preparatory procedures were carried out according to our security protocols, including:

1. Strict adherence to the Working Protocol by staff handling all the Examination Materials.
2. Use of designated Case-Writing Group, consisting of Examiners, led by our Chief Examiner, to be responsible for all the OSCE cases.
3. A centralized process for development of examination cases and marking schemes, with examination materials exposed to the minimal number of persons.
4. Strict adherence to the security protocol for the OSCE exam by all examiners (including strict prohibition of electronic transference of exam materials).
5. Sharing cases with RACGP to widen our exam case bank.
6. Presentation of OSCE exam materials to examiners only on the day of exam.
7. Continual appeal to the professional integrity of all involved in running the exam.
8. Proper "quarantine" of candidates of the morning and afternoon sessions respectively on the days of exam.
9. Forbiddance of use of any electronic devices by candidate inside exam venue.
10. Prompt data entry of candidates' scores on the same day of exam.

All these measures, among many others, were well adhered to throughout the whole examination period.

Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experience examiners also helped to improve its validity. Our QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

To facilitate better understanding for our External Examiners in our two Cantonese speaking stations, instant translation (in writing) had been arranged this year.

Comments on individual examiner by various QA Examiners had been grouped and sent to each examiner for reference.

CHAIRMAN'S MESSAGE

The DFM course entered her ninth year in 2011. This was another fruitful year as nine candidates fulfilled all the requirements of DFM Course and passed all the assessments and the Final Examination in 2011. The Board praised the candidates for their effort and devotion in acquiring new knowledge and skill in Family Medicine and congratulated them on their wonderful achievement.

This year has been a very meaningful year to the DFM board. Our Board has successfully extended our service to our neighbor, Macau Health Department. The Board has organized a series of DFM seminars and workshops to cater the needs of our Macau colleagues. The response was encouraging and rewarding after the first training session. Both the students and teachers have found this experience enjoyable and valuable. In future, it is our hope to promote DFM course to the doctors in Mainland China.

On behalf of the College and the Board, I would like to express our deepest appreciation to Dr. Wun Yuk Tsan for his volunteer work and tremendous support to us. Without his advice and assistance, the Macau training programme would not be possible and successful.

Lastly, I would like to take this opportunity to thank Professor Lam Tai Pong for being our External Examiner in keep our examination standard and his generous donation to the Board over the years. I wished to thank Professor Cindy Lam, Professor Donald Li, Dr. Stephen Foo and our new President, Dr. Ruby Lee for their continuous advice and guidance, Dr. Chan Chi Wai for being our Chairman of assessment and examination subcommittee in organizing a very successful examination, and all the hardworking Board members, teachers, examiners, and mentors for their unfailing support and selfless contribution. I also wished to thank our secretarial staff Ms. Charlotte Sham who resigned last year and Ms. Winniea Lee for their diligent work.

CHAIRLADY'S MESSAGE

During the year 2010-2011, the Board, similar to previous years, has organized the following educational activities for our College members. All the CME and CPD programmes have been running smoothly and accredited.

Video-Library and Video-Viewing Session

For the period of 2010-2011 we had arranged 12 video sessions in our Wanchai College premises on a monthly basis. Video viewing session and Video Library have been practiced since July 2005. The viewing session is scheduled on the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F, Duke of Windsor Social Service Building, Wanchai. The topics are selected from the lectures in our Luncheon, Evening and Annual Refresher Course CME activities. These viewing sessions are open only to our members. 1 CME point, HKCFP or MCHK, is accredited to one who attends the viewing session. Up to a maximum of 2 CPD points may be accredited to one who submits a satisfactory report of Professional Development Log. It is encouraging that the number of attendance is increasing. The topics of the 12 sessions presented were:

- Acne Management
- Ketamine (K 仔) Associated Ulcerative Cystitis
- Use of Topical Agents in Dermatology
- New Approaches to Community-Acquired Pneumonia and AECB
- Frozen Shoulder: Management Beyond Physiotherapy
- Common Limb Injuries Overlooked
- Flat Feet in Children Treatment Required?
- Common Urological Symptoms & their Management in Substance Abuser
- Skin Diseases of the Hands and Feet
- Understanding Fats: Good VS Bad
- Do you know? The Unmet Needs in Coronary Arterial Diseases
- Update of Management of Atopic Dermatitis
- Advances in Diagnosis & Management of Rheumatic Diseases: RA, Ankylosing Spondylitis, SLE & Fibromyalgia

The Board would like to take the opportunity to thank Dr. Mo Kam Chuen and Dr. Cheung Ying Man in running the monthly video session very smoothly and especially Dr. Cheung's effort in producing the high quality video giving the participants the feeling of attending the luncheon meeting.

Small Discussion Group

It is good news that the number of Small Discussion Groups has increased to 127. Participant members will gain 1 CME point and the speaker will gain an extra 1 CPD point. Members who are actively participating in writing up local management protocols of common diseases can also earn extra CPD points. Well-written synopses will be published in our College Journal 'Hong Kong Practitioner' to give credit to the excellent work of some small discussion groups. However, synopses not up to standard are requested to be re-written again.

The Board would like to take the opportunity to thank Dr. Tong Siu Man and other Board members in reviewing all the synopses and protocol, making sure the standard is reached.

Cardiopulmonary Resuscitation (CPR) Training

The Board would like to thank the Hong Kong College of Cardiology, especially Dr. Cheng Chun Ho and Dr. Pun Chiu On for their continuous support. Our CPR training workshops and examinations were running successfully and the Instructor workshops for up-keeping standards and recruiting new instructors were well organized. We held two CPR training workshops in 2010-2011. We have 47 members who passed the CPR Examination and were awarded the Certificate of Competency CPR in Basic Life Support this year.

The Board would like to express our sincere thanks to Dr. David S. L. Chan and Dr. Wong Pak Hoi in co-ordinating and Dr. Au-yeung Shiu Hing, Dr. Patrick H. W. Chan, Dr. Cheung Ying Man, Dr. Chow Shun Wai, Dr. Winson W. Y. Hung, Dr. Kong Che Wan, Dr. Kwan Man Woo, Dr. Michael C. H. Kwok, Dr. Stanley K. H. Lam, Dr. Lau Tai Wai, Dr. Daniel C. Y. Leung, Dr. Danny P. K. Ma, Dr. Mo Kam Chuen, Dr. David T. W. Sung, Dr. Tong Leon George, Dr. Keith K. K. Tse, Dr. Wong Ka Wah, for being the examiners.

Clinical Attachment

Being the Chairlady, I am glad that we have three clinical attachments this year with the support from our hospital colleagues.

- | | | |
|---------------------|---|---|
| Diabetes | - | United Christian Hospital |
| ENT | - | Division of Otorhinolaryngology, Department of Surgery, CUHK |
| Infectious Diseases | - | Department of Medicine and Geriatrics, Princess Margaret Hospital |

The Board would like to express our sincere thanks to Dr. Tsang Man Wo, Dr. Grace Kam, Professor C. A. van Hasselt, Professor Michael Tong, Dr. John Woo, Dr. Chow Chun Bong, Dr. Thomas So and the staffs of their departments for organizing our clinical attachments. The clinical attachments are aimed at in-depth and structural teaching of our members in these specialties.

Assessment Enhancement Course

Assessment Enhancement Course remained the most welcome course in her eleventh year of establishment. I would like to thank all the tutors in donating their time and effort in this course. They help tremendously in upgrading the standard of participating doctors on family medicine in the consultation skills, physical examination and other various aspects. These are very useful to our members in preparing the Conjoint Fellowship Examination.

The Board would like to express our sincere thanks to Dr. Janet C. Y. Tam in co-ordinating and all tutors as follows: Dr. Che Ka Seng, Dr. Roald S. Y. Cheng, Dr. Cheuk Wing Ngai, Dr. Cheung Mei Yee, Dr. Becky W. T. Chu, Dr. Chung Kin Wing, Dr. Fok Peter Anthony, Dr. Ho Ka Ming, Dr. Alan Y. L. Kwok, Dr. Lau Chi Hang, Dr. Monica W. Y. Lee, Dr. Vincent W. S. Li, Dr. Allen H. Y. Ngai, Dr. Poon Ting Kong, Dr. Sy Wing Man, Dr. Tam Kwong Yu, Dr. Wong Fai Ying, Dr. Wong Ka Wah, Dr. Yeung Wai Man and Dr. Young Suk Ching.

Post AEC Training Course

As doctors working in private practice (Category II candidates) are lacking structural training, the Post AEC Training Course was first launched in April 2010 for the AEC candidates especially Category II candidates to provide the platform to facilitate them for preparing the Conjoint Fellowship Examination with formal group support. The Board would like to express our sincere thanks to the Co-ordinator, Dr. Peter K. Y. Lee and all the tutors: Dr. Simon C. L. Au, Dr. Edmond C. W. Chan, Dr. Mark S. H. Chan, Dr. Lai Wai Wah, Dr. Francis W. T. Lee and Dr. Gordon Y. M. Leung in donating their time and effort in this course.

Annual Refresher Course

Annual Refresher Course is the traditional major year-end event for 30 years. This year, we had 5 weekday lectures and 4 Sunday workshops and were attended by over 230 members. Thanks for all those participants who returned their evaluation questionnaires. The comments and suggestions are valuable in helping us to plan for the coming ARC in year 2011.

Professional Development Subcommittee

Since 2005, six Interest Groups have been formed under this Subcommittee: namely Clinical Family Medicine, Dermatology, Geriatric, Medico-legal, Mental Health, and Neuro-musculoskeletal.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix and bridging the professional gap. This will upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better management and a high-quality health care for the public.

Since 2008, Board of Education has been planning to arrange some structural training courses under Professional Development Subcommittee for our members, especially on the aspects that are important in our discipline and yet seldom touched in our training. Without doubt, Practice Management is an essential part of a good general practice. Training Course on Practice Management, arranged under the Interest Group of Medico-legal Alert is the first one to start off and is overwhelming welcomed. Research on Family Medicine is rather deficit in our discipline and we will arrange a Training Course on Research & Biostatistics for Medical Professionals under the Interest Group of Clinical Family Medicine in the coming year. Training Course on Counseling under the Interest Group in Mental Health and Psychiatry in Primary Care is under arrangement also.

Interpractice Visit

Interpractice visit is a mean of continuous medical education through practice visits by peer group. Participants may share their experience and improve their skills on clinic and practice management, thereby achieving a high standard of service. The details were published in the College Journal since May 1998.

Community Education Programmes

I would like to thank the following hospitals, societies and associations in helping our Board in organizing the various Community Education Programmes:

- Hong Kong Medical Association
- Our Lady of Maryknoll Hospital, Kowloon West Cluster, Hospital Authority
- Professional Development & Quality Assurance, Department of Health
- United Christian Hospital, Kowloon East & Kowloon West Cluster, Hospital Authority

College members were welcomed to attend these programmes and CME points were accredited.

Structured Education Programme

The Structured Educational Programme (SEP) is the mandatory training programme in basic training. It's divided into 14 module and trainees should be attended at least 15 hrs for each module. It is opened to all College members and will be awarded CME credit points when attending the programme. I would like to thank the following hospitals in organizing the various Structured Education Programmes for our College members:

- Tuen Mun Hospital
- Pamela Youde Nethersole Eastern Hospital
- Tsan Yuk Hospital
- Prince of Wales Hospital
- United Christian Hospital
- Tseung Kwan O Hospital

Self-Assessment Correspondent Programme

1) MCQ papers

MCQ papers were sent out quarterly with our College Journal. Members will only be accredited if over 50% of the answers are correct and will be awarded maximum 12 CME credit points per year.

2) Hong Kong Check

The Hong Kong College of Family Physicians, in collaboration with the Royal Australian College of General Practitioners, runs a Hong Kong version of the Check program. Members who subscribe to the Hong Kong Check will be awarded 12 CME credit points for satisfactory completion (at least 75% of the questions) of the HKCFP "Check on Check" program issued at the end of the year for the "CHECK" Programme.

Acknowledgement

Stepping into the seventh year of chairperson of the Board of Education, I would like to take this opportunity to express my most sincere thanks to all members of the Board of Education for their unlimited support and contributions in serving the College. They are the capable and supportive team to back me up in organizing the various types of educational activities for our College members. I am indebted to them, and our secretarial staffs, Ms. Winnie Lee and Ms. Yvonne Lam for their enormous support. I would also like to take this opportunity to thank all sister Colleges, Universities, Hospital Authority, Department of Health for their support in our various educational activities. We are also thankful to the various pharmaceutical companies who generously sponsored many of our functions.

CHAIRLADY'S MESSAGE

There is evidence that countries with more generalist family doctors are more likely to have better health outcomes, lower costs and greater satisfaction. Not only will financial resources be saved but also effective efficient use of high technology. Primary health care

is the best route to universal access, the best way to ensure sustainable improvements in health outcomes, and the best guarantee that access to care will be fair. The Board of Professional Development and Services was established in October 2010 to organize and develop educational activities for medical and health professionals outside Hong Kong SAR in relation to family medicine, as well as liaise and coordinate with other boards of the College for activities of the Board.

CHAIRMAN'S MESSAGE

In this year, we are working hard in revising the Vocational Training Programme. We have received a lot of advices from our colleagues, especially those working in Hospital Authority and we took their ideas seriously. After a series of discussions, the new Programme is going in fine tuning stage. Details will be provided when the Programme is ready.

On the other hand, the Board had received several requests from the trainees, asking for exemption from the set rules as they cannot fulfill such rules and requirements to sit in Examinations or continue their training. I am here to request all the trainees to study the training logbook and handbook carefully in detail to ensure that you are following the rules to avoid any serious consequences. And the summary of the requirements had been written on the red-coloured 'Important Notice' on your logbook.

The usual statistics up to 31st March 2011 are as follows:

New enrolled Basic trainees	:	38
New enrolled Higher trainees	:	19
Total Basic trainees	:	123
Total Higher trainees	:	124

In the Board structure, there are several new faces. I would like to introduce to all of you our newly appointed Chairman of Higher Training Subcommittee, Dr. Chiu Chi Fai, Billy; and Chairman of Basic Training Subcommittee, Dr. Pang Siu Leung. I believe they will 'Do their job well'. And I would like to take this opportunity to thank Dr. Benny Lui for his contribution while he was our Chairman in Higher Training Subcommittee and he decided to step down to give more opportunities to our new generation.

As the economic environment improved, our college manpower had changed a lot. Fortunately, our Board secretary, Carmen still stayed with us. I would like to pay tribute to her dedication towards the Board in the past year.

Output

Congratulations to our trainees for passing the **HKCFP/RACGP** Conjoint Examination in 2010 and for being elected Fellows of the Hong Kong College of Family Physicians and the Royal Australian College of General Practitioners.

CHAIRMAN'S MESSAGE

This year, we continued our quarterly publications of the Hong Kong Practitioner with 27 manuscripts published over the year. Among the published manuscripts, 33% were original research articles, 11% were discussion papers and 17% were update articles. The rest were editorials (22%) and case reports (17%).

For the Hong Kong Practitioner, we continued our efforts to invite both international and local academics and clinicians to share their views on recent development in family medicine and primary care such that busy family physicians can find the information relevant to their practice.

We hope that our journal will continue to provide up-to-date knowledge that is relevant to the practice of family medicine and hope that our readers will continue to show their support.

The Board had organized Pre-Exit Examination Training Workshops and feedback sessions after the Examination for candidates. Standardization Workshops for examiners were also held to maintain the standards of the assessment.

Another task of the Board is to scrutinize applications for nomination to Fellowship of the Hong Kong Academy of Medicine in Family Medicine. It also assesses application for Certificate of Specialist Registration with comparable training according to guidelines laid down by Education Committee, HKAM and makes recommendation to our College Council. The College submitted 44 fellowship nominations and were all approved by the Hong Kong Academy of Medicine.

Finally, the Board would like to express the most sincere thanks to all examiners for their dedication and hard work in making the Exit Examination possible and successful.

This year is another busy year. We had the first Hong Kong Primary Care Conference 2011, with the dinner symposium co-organised with the Primary Care Office, Department of Health, HKSAR. We also had the first Training Course on Practice Management, the third Certificate Course on Respiratory Medicine and a number of College activities including Annual Refresher Course, Medical Updates, bi-monthly Dermatology Interest Group meetings alternate with Mental Health and Psychiatry Interest Group, regular meetings of Neuro-musculoskeletal Interest Group and Medico-legal Alert Interest Group, lecture given by the HKCFP Visiting Professor of the University of Hong Kong, and the other educational luncheon scientific meetings. These activities which helped to bring the update medical knowledge to our members were generously sponsored by the following pharmaceutical companies. Thanks to them also that our Journal, The Hong Kong Practitioner, The Family Physicians Links continues to have received advertisements from them. Our Journal provides a very valuable channel for our members to update themselves on medical knowledge, remains one of the most popular and widely circulated medical literatures locally. Demands for e-mail bulk mailing and circulating services by members and other institutions had also increased.

The College had invited all the sponsors to the 33rd Anniversary Dinner to share a memorable evening together. I would also like to take this opportunity to thank our College members, Johnson and Johnson. Langham Place Hotel, Holiday Inn Golden Mile Hong Kong for their generous donation of gifts for our annual dinner:

On behalf of the College, I would like to express my gratitude to all the following companies for their generous support of our College's functions:

From April 2010 to March 2011, we have received 1 enquiry from one of our member concerning matter related to Continuing Medical Education (CME). The enquiry was handled immediately and directed to the respective Committee for any necessary follow-up actions. The CMOD remained as an important and effective communication between the Council and the members.

I would like to express my sincere gratitude to all Council members who act as on-duty members in the roster in answering the enquiry and giving their invaluable advice. I would also like to thank the secretarial staff for their hardwork.

Summary of CMOD Case (April 2010 to March 2011)

The Exit Examination of HKCFP consists of three segments, namely (i) Consultation Skill Assessment (CSA), (ii) Practice Assessment and (iii) Clinical Audit (Research Project as an alternative in 2013). At present, the College's CSA is based on the Leicester Assessment Package and the examination arrangement is through direct observation of 6 consultations by examiners within 2 hours. It has been criticized as not truly reflecting the candidate's abilities. HKCFP suggested replacing the current format with a new one, requiring the candidate to submit a video log of consecutive consultations in a specified period of time (a minimum of 18 cases be recorded within 6 net hours). In the EC meeting in March 2011, EC agreed and accepted that the new format could start in January 2012.

EC noted the 2008-10 CMECPD reports submitted by all Colleges. In the 2011 Academy Guidelines, it is strongly recommended that Fellows should maintain a balanced CMECPD profile with a mix of different activities, including 5 points in a cycle from activities in Quality Assurance, Audits and Activities for Improvement of Patient/Medical Care in order to capture the full benefit of different types of CMECPD activities. EC agreed that Colleges should write this in their guidelines to remind Fellows.

College CMECPD Reports for the Cycle 2008-2010

EC noted the 2008-10 CMECPD reports submitted by all Colleges. Of the 5,650 Fellows and CSR (Certificate of Specialist Registration) doctors who are required to do CMECPD (121 Fellows were exempted from CMECPD for retirement), 176 (about 3%) were reported to have failed to fulfil the CMECPD requirements. Letters have been sent to these Fellows and doctors requesting for explanation by 25 March 2011. For those in the "non-remediable" group (obtained points less than 2/3 of the requirements) and not responding by the deadline, their names would be submitted to Council for Fellowship termination. Medical Council and Dental Council would also be informed if these Fellows/CSR doctors are in the SR.

CMECPD for 2014-16

EC agreed the following after discussion:

- a) There would not be significant changes to the CMECPD guidelines for cycle 2014-16;*
- b) Colleges can make QA activities mandatory if they think it appropriate for their Fellows;*
- c) EC sees the need and benefits of requiring Fellows to evaluate / review their practice in order to improve quality of their patient services;*
- d) In the long run, evaluation / review of practice should be made part of everyone's CPD profile;*
- e) The existing system would need to be strengthened to enable all Fellows to participate in QA related activities easily.*

There was a query on how the Academy certified the qualifications and training requirement of applicants for SR to ensure that they were of adequate specialist competence, as there were some disciplinary inquiries of Medical Council of Hong Kong (MCHK) resulting in doctors being removed from SR due to incompetency.

Members noted that for those found guilty of professional misconduct, the suitability to remain on or go back (after removal) to SR was to be decided by Medical Council only. But the Academy could terminate the Fellowship of this Fellow if warranted according to the existing Bylaws. HKAM will seek for legal advice to make sure the Academy / College would have a legally robust mechanism to consider these cases.

For HKCFP fellows, according to our 'Memorandum and Articles of Association of HKCFP', Any Fellow and member who:-

1. is found guilty by the Medical Council of Hong Kong of infamous conduct in a professional respect and with name removed

from the Medical Council Register; or

2. is found guilty of an indictable offence and with name removed from the Medical Council Register.’ shall by a majority vote of Council cease to be a Fellow provided that the Fellow affected shall have the right to appeal to members in the general meeting.

Sep 2011	RTHK 5: Smiling Families	Dr. Gene Tsoi

The External Affairs Committee had been involved with local health issues in relation to our specialty and primary care. Requests from local media via telephone interviews, articles in newspaper, and series of radio broadcasting programmes were organized with the support from Council members and guests from other specialties.

Official visitors from provincial government in mainland China were received by our President and College Secretariat. It is very important for the exchange of experience in medical education and vocational training as well as the ongoing healthcare reform in both sides. Our President has attended regional WONCA conference in Cebu and the Conferment Ceremony of RACGP in Hobart.

Once again I must thank all those who have contributed in the various activities under the External Affairs Committee and to the Secretariat for the liaison work.

FINANCE COMMITTEE

Chairman : **Dr. Lau Ho Lim**

Committee Members : Dr. Ruby S. Y. Lee (President)
 Dr. Angus M.W. Chan (Vice-President)
 Dr. Mary B. L. Kwong (Vice-President & Business Manager)
 Dr. Law Tung Chi (Hon. Secretary)

Staff : Ms. Angel Cheung (Administrative Executive)

With careful monitoring by the Finance Committee, the financial situation of the College in the financial year of 2010-2011 continued to remain stable and healthy as before. We have always adopted a conservative investment strategy, and we will continue to take a prudent and careful attitude to other investment options. There is currently a positive balance of over HK\$15 million in our accounts. There are no major changes to our portfolio compared to the previous financial year. Only 7.1% of our portfolio is in equity shares, purchased when they were first issued, and the great majority of our funds are in the form of cash savings in various banks.

I would like to express my sincere thanks to Dr. Ruby Lee, our President, Dr. Mary Kwong, our Vice President (General Affairs), Dr. Angus Chan, our Vice President (Education and Examinations), Dr. Law Tung Chi, our Honorary Secretary, Ms. Erica So, our Executive Manager, and Ms. Angel Cheung, our Accounts Executive, for their continuous advice, support and service. I would also like to thank Mr. CF Cheung, our Honorary Auditor, for his professional advice and service.

CHAIRLADY'S MESSAGE

Since the publication of the inaugural edition in March 2004, FP Links serves as the College Newsletter of HKCFP with the following missions:

1. To disseminate the College News to College members.
2. To report news of various Boards and Committees.
3. To provide a channel for dissemination of information or articles related to Family Medicine, either clinical or non-clinical.
4. To act as a bridge for communication between members and the College

The founding Editorial Board started off with three members under Dr. John Chung's leadership. Throughout these years, there is significant expansion of our membership list. Our contents have also been enriched, from photo gallery of college events, to inspiring articles of life wisdom. Our committee now comprises 20 members coming from different sectors: public and private; universities and different clusters of Hospital Authority. We work as a cohesive team sharing the same passion for our discipline of Family Medicine.

The current membership of HKCFP is as follows: - (as in June 2011)

Fellows*	600 (HKAM Fellows: 306)
Full Members	226
Associate Members	611
<u>Others **</u>	<u>41</u>
Total:	1478

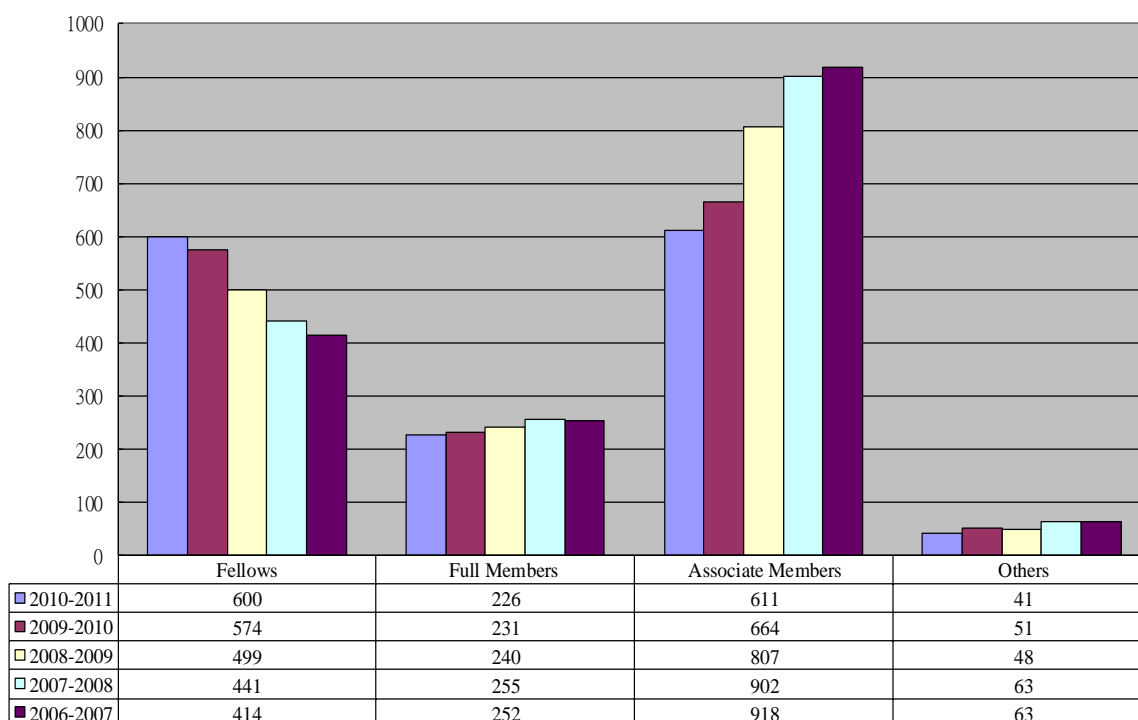

* Fellows include Fellows, Foundation Fellows, Hon. Fellows and Non-HKSAR Fellows.

** Others include Non-HKSAR Members, Student Members and Affiliate Members.

More of our members become fellows and the body of Membership remains steady in the past year. With our College's team of dedicated members who are practicing quality medicine, the term "Family Medicine" is increasingly recognized by the general public as synonymous to quality primary care.

We recommend and implement policies, procedures and initiatives to promote a healthy growth of membership at HKCFP. We expect to see a constant growth in membership with increase in proportion of fellowship.

The Professional Performance Committee is established to provide advice on professional performance to medical doctors who require peer review, supervision or audit.

Objectives:

1. To provide professional advice from the view point of family medicine.
2. To assist medical practitioners to meet the standard of professional performance.
3. To enhance the standard of the professional performance by peer supervision
4. To co-ordinate and appoint professional performance supervisors to provide professional advice upon application from individual medical doctor.
5. To co-ordinate clinic audit on professional performance upon request from individual medical doctor.
6. To maintain the accountability of professional advice by regular review of the current regulations and standards.

Individual doctor can approach our College to seek assistance to supervise and to audit his / her practice standard under the instruction of the Medical Council of Hong Kong. In 2010, there is no doctor seeking our advice on professional performance.

I would like to thank our College Secretariat for their constant support.

The Quality Assurance and Accreditation Committee aims to promote doctors' participation in effective and efficient quality assurance programs and to demonstrate their accountability to the community by documenting their participation in our Quality Assurance (QA) program. Our QA Programme is open to all registered doctors in Hong Kong and is reciprocally recognized by The Royal Australian College of General Practitioners (RACGP). Accreditation will be recorded throughout the years in the form of "credit points" according to our regulations for award of Certificate of Quality Assurance.

All Hong Kong Academy of Medicine (HKAM) fellows in Family Medicine are required, in addition, to observe criteria laid down by HKAM. The HKAM has revised their Principles and Guidelines on Continuing Medical Education (CME) and Continuous Professional Development (CPD). Starting from 1 January 2008, no more than 75 points of the minimum CME/CPD requirement of 90 points can be awarded for passive participation in a 3-year cycle.

For doctors taking the Medical Council Continuing Medical Education Programme for practising doctors who are not taking CME programme for specialists (MCHK CME) Programme, documentation of their participation in the MCHK CME Programme will be managed by HKAM, the administrator appointed by Medical Council of Hong Kong (MCHK) from 1 September 2008 while we will continue the documentation for their HKCFP QA Programme.

Starting from Year 2009, our CME/CPD credit point reports have gone paperless and members can check their updated reports in the College Website.

The list of the fellows, members who have obtained the CME certificate 2010 and the QA Certificate of the 2008 - 2010 triennium were listed below. I would like to take this opportunity to thank all the committee members for their contribution and unflinching support.

Staff :

Ms. Winniea W. Y. Lee	(Administrative Executive, from April 2011 onwards)
Ms. Teresa S. K. Lee	(Administrative Executive, to July 2011)

Five submissions were received for the Annual Research Award 2010 and the selection panel consisted of two internal assessors and one external assessor. The winning project was "Usefulness in using portable overnight pulse oximeter for screening obstructive sleep apnea in adult patients in primary health care setting" by Dr. Chiang Lap Kin.

The 2011 HKCFP Research Fellowship has received four applications this year, all of good quality. The selection panel which consisted of one internal assessor and two external assessors has selected the winner to be Dr. Chen Xiao Rui, Catherine. Her research project is "Secondary prevention of stroke: knowledge and perception of stroke risk factors among primary care HK Chinese patients with previous history of stroke or TIA".

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future.

 Ms. Crystal W. Y. Yung (Executive Officer)

We see the year of 2010-2011 with smooth service to the College and our members in general. The web page was well received and suggestions mainly on downloading improvements were attended to. The Web and Computer committee has been very concerned about the costing. We are lucky to have several committee members with exceptional interest in IT matters, which I felt indebted to (perhaps on behalf of the College.) In addition to the existing functions, we have added a section on obituary, in memories of our members and associates. A history section will store important events of the College.

Looking forward, a new membership list is being planned which would be open for public access. We hope members and the public will find this useful.

I would like to welcome any new members from the College with interest in web and computer to join us. We would also like to thank Ms. Erica So, Ms. Crystal Yung and the rest of the Secretarial team, for delivering the high quality assistance as usual.

We look forward to another year of service.

The financial situation of our College remains stable for the financial year 2010-2011, with a current reserve valued in excess of HK\$15.7 million, thanks to the conservative investment strategy of the Finance Committee. Equity shares, bought when they were first issued, account for approximately 7.1% of our portfolio (as at 31 Mar 2011), and the great majority of our funds are in the form of cash savings in the Bank of East Asia, HSBC and Wing Hang Bank.

Our College is operated under four companies, as detailed in the Auditor's reports.

In this financial year, our main income sources were from, in descending order, the Membership Committee, Board of Conjoint Examination, Board of Vocational Training and Standards, and Specialty Board. Membership subscriptions generated an income of HK\$1.21 million (a 2.4% reduction compared with 2010). From the Board of Conjoint Examination we obtained a surplus of HK\$970k (a 30.2% increase). However, we expect a reduction in this source of income because of fewer candidates in the coming years as the number of basic trainees has dropped. The Board of Vocational Training and Standards recorded a surplus of HK\$668k (an 81.4% increase). The Specialty Board welcomed a surplus of HK\$223k (a 2.9% decrease), and this figure is expected to increase when more trainees are to complete their Higher Training and sit the Exit Examination.

On the side of expenditure, our single most significant spending is still in staff salaries and allowances, which amounted to HK\$3.01 million (a 4.4% reduction). The Board of Education saw a deficit of HK\$536k (a 425% increase). The total cumulative expenses were carefully controlled and had reduced by 7.5%.

The consolidated net deficit before tax computation for the financial year was HK\$373,981 which saw a 62.9% reduction compared to the previous financial year.

On behalf of the board

Chairman
HONG KONG, 26 October 2011

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements Hong Kong College of Family Physicians set out on pages 4 to 11 which comprise the statement of financial position as at 31 March 2011 and the income statement, statement of changes in equity and statement of cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Council's responsibility for the financial statements

The Council is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the Council determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

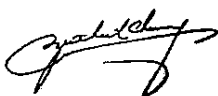

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2011 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1 LEGAL STATUS

The College is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member, or within one year after he ceased to be a member for payment of the debts and liabilities of the College contracted before he ceases to be a member, and costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2 SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the income statement in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the income statement is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line method at the following rates to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment	15% p.a.
-----------------------------------	----------

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Entrance fees from members are recognised in the financial year of receipt.

Annual subscription fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transaction in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the balance sheet date. All exchange differences are dealt with in the income statement.

(e) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes income statement items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the income statement, except when it relates to item charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

3 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements in view of the excess of allowable loss brought forward over the estimated assessable profits for the year. (2010:Nil)

	2010
	HK\$
The taxation charge is made up as follows:	
Deferred tax	
Current year	5,363

The taxation on the company's deficit before taxation differs from the theoretical amount that would arise using the taxation rate in Hong Kong for the company as follows:

Deficit before taxation	(198,648)	(152,796)
	=====	=====
Calculated at a taxation rate of 16.5% (2010:16.5%)	(32,777)	(25,211)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other Council members and officials of the College, the following representations given to you in connection with your audit of the College's financial statements for the year ended 31 March 2011.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the College and of the results and cash flows of the College for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with sections 161 and 161B of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Council members received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP EDUCATION LIMITED
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements HKCFP Education Limited (Limited by guarantee) set out on pages 4 to 10 which comprise the statement of financial position as at 31 March 2011, the income statement and statement of cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Directors' responsibility for the financial statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2011 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

HKCFP EDUCATION LIMITED
(Limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Subsidiaries

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half of the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) Related companies

A related company is a company in which one or more of the directors has a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Revenue arising from activities is recognised when the activities are completed.

Management fee received is recognised when management services are rendered.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes income statement items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of any deferred tax asset is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the income statement, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

3. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2010:Nil).

The company had no significant unprovided deferred taxation at 31 March 2011 and 2010 and for the years then ended.

At the balance sheet date, the company has unused tax losses of HK\$4,319,329 (2010:HK\$2,734,039) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

4. DIRECTORS' REMUNERATION

None of the directors received any remuneration for their services rendered to the company during the year. (2010:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2011.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with sections 161 and 161B of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.

On behalf of the Board

Chairman
HONG KONG, 26 October 2011

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP FOUNDATION FUND
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements HKCFP Foundation Fund (Limited by guarantee) set out on pages 4 to 9 which comprise the statement of financial position as at 31 March 2011, the income statement and statement of cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Executive Board's responsibility for the financial statements

The Executive Board is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the Executive Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Board, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2011 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The Foundation is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member or within one year after he ceased to be a member for payment of the debts and liabilities of the Foundation contracted before he ceases to be a member, and costs, charges and expenses of winding up and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$50.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Available-for-sale investments

Available-for-sale investments are non-derivative financial assets in listed equity securities that are designated as available for sale. After initial recognition, available-for-sale investments are measured at fair value, with gains or losses recognized as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in the income statement.

(b) Related company

A related company is a company in which one or more of the directors of the company have a beneficial interest or is in a position to exercise significant influence over the company.

(c) Revenue recognition

Donation received is recognised on receipt basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(d) Foreign currencies

Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the balance sheet date. All exchange differences are dealt with in the income statement.

3. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as the Foundation is exempt from tax under Section 88 of the Inland Revenue Ordinance.

4. EXECUTIVE BOARD MEMBERS' REMUNERATION

None of the Executive Board members received any remuneration for their services rendered to the Foundation during the year. (2010:Nil)

HONG KONG, 26 October 2011

**INDEPENDENT AUDITOR'S REPORT
TO THE SHAREHOLDERS OF HKCFP HOLDINGS AND DEVELOPMENT LIMITED
(Incorporated in Hong Kong with limited liability)**

I have audited the financial statements HKCFP Holdings And Development Limited set out on pages 4 to 11 which comprise the statement of financial position as at 31 March 2011 and the income statement, statement of changes in equity and statement of cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Directors' responsibility for the financial statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with Section 141 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2011 and of its results and cash flows for the year then ended in accordance with the Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1. SIGNIFICANT ACCOUNTING POLICIES

- (a) Property, plant and equipment
Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the income statement in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the income statement is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives :

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

- (b) Turnover
Turnover represents course fees received.

- (c) Revenue recognition
Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

- (d) Taxation
Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes income statement items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the income statement, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

2. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2010:Nil)

The taxation charges is made up as follows:

	2010	
	HK\$	HK\$
Deferred tax		
Current year	28,585	2,972
	=====	=====

The taxation on the company's loss before taxation differs from the theoretical amount that would arise using the taxation rate in Hong Kong for the company as follows:

Loss before taxation	(431,921)	(196,635)
	=====	=====
Tax at the income tax rate of 16.5% (2010:16.5%)	(71,267)	(32,445)
Tax effect of non-deductible expenses	56,619	13,740
Tax effect of non-chargeable income	(28,585)	(2,972)
Additions of unrecognised tax losses	<u>71,818</u>	<u>24,649</u>
Taxation charge	28,585	2,972

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2011.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with sections 161 and 161B of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S161 of the Company Ordinance during the year.
