PRESIDENT'S MESSAGE (DR ANGUS M W CHAN)

(July 2016 to June 2017)

This was another extremely busy and fruitful year for the Hong Kong College of Family Physicians.

In June 2016, I attended the Organ Donation Promotion Charter Launching Ceremony. The College was one of the signatory organizations. We agreed to assist in public education and to facilitate the public understanding of the significance and importance of organ donation. Organ donation must be voluntary and altruistic. We encouraged the public to register their wish at the Centralised Organ Donation Register of the Department of Health and shared their wish with their family.

Dr Stephen Foo and Dr Chan Hung Chiu had represented the College to attend the RACGP conferment in Perth, Australia. They had a good exchange with international guests from Fiji, Malaysia, New Zealand and Sri Lanka. RACGP will commence the new accreditation process with us next year. I sorely missed the GP16, the RACGP Conference for General Practice which was incredibly well organized.

On 2nd October 2016, "The International NO Alcohol Day", Prof Frances Wong of Hong Kong Academy of Nursing, Dr Mak Sin Ping of Hong Kong College of Community Medicine and I had a briefing with the media. We called for the government to bolster regulation to ensure alcohol is not sold to people aged below 18. I was glad to hear Dr Ko Wing-man, the Secretary for Food and Health Bureau came out the same evening mentioning the government was investigating ways to regulate the sale of alcohol to youngsters in retail sites without liquor licences.

I was overjoyed when Prof Donald Li, our Past President was elected as President-Elect (2016-2018) and he will be the President from 2018 – 2020 of the World Organization of Family Doctors (WONCA). Dr Li has dedicated all his life to improving standards of patient care and Family Medicine training. He excels in his various roles as a care provider, a decision maker, a medical educator and an academic and community leader. The College is very honoured to have Prof Donald Li as a World Leader. After the late President Dr Peter Lee, this is the second time the College enjoys this honour. We take this opportunity to congratulate Prof Donald Li on his well-deserved achievement. Also, our heartiest congratulations to Dr Gene Tsoi on his successful election as the Vice President (2016 – 2018) of WONCA Asia Pacific Region. We are confident that Dr Tsoi will continue to encourage more comprehensive development of Family Medicine and Primary Care in Asia Pacific Region. We wish Dr Tsoi great success in his new role.

The Council Election was successfully completed and the ballot was opened on 16 November. Nearly 40% of our members had casted their vote. This was a good turnout and I am grateful to all of you for making this election successful. My executive team consists of Dr David Chao, Dr Lau Ho Lim, Prof William Wong and Dr Billy Chiu. They all had very good administrative experience and were capable of fulfilling the increasing demand of the College duties. Dr Alvin Chan, Dr Mary Kwong and Dr Wendy Tsui were all indispensable members of the Council and were re-elected. Newly elected Council members were Dr Chan Chi Wai Edmond, Dr Fan Yuen Man Cecilia, Dr Liang Jun and Dr Lo Sze Mon Dana. Whenever there was an election, there was a farewell: Dr Chan Kin Ling, Dr Quincy Yuen and Dr Tony Lee would be leaving us temporarily. Dr Chan Kin Ling was one of the longest serving members of the Council and my best friend who never failed to guide me in my difficult times.

Our 39th anniversary annual dinner was again held at the Hong Kong Academy of Medicine on Sunday 4th December 2016. Our masters of ceremonies were Dr Maria Leung and Dr Matthew Luk. Rather than rock music, we had the "jazz trio performance" led by our ex-President Dr John Chung and his friends. Everyone had a swinging good time. There were nearly 200 guests, members and fellows having a very enjoyable evening. I must thank Dr David Chao and our secretaries for organizing this annual event with great success.

Prof David Weller was the visiting Professor in Family Medicine, the University of Hong Kong in 2016. Prof Weller is the James Mackenzie Professor of General Practice and Director of the Centre for Population Health at the University of Edinburgh. This visiting Professorship was sponsored by the College and it had been money well spent over the past few years. David told me the first time he had to work on Saturday was in Hong Kong! College members and fellows had certainly benefited from his presence to enhance their teaching to students.

Stepping into 2017 was the 40th Anniversary of our beloved College and a series of events would commence soon. To kick start the 40th Anniversary celebration, the Public Education Committee had coordinated 2 programmes in March 2017. The ten episodes of a TV series 'My Family Doctor 2017' (升級家庭醫生), jointly produced by Radio Television Hong Kong and Primary Care Office of Department of Health and advised by our College was shown on RTHK TV Channel 31 and would conclude in May 2017. Secondly, the quarterly public health education programme would have

the first outing in March. Dr Allan Ngan talked on allergic rhinitis and asthma, and Dr Simon Au was tasked with cardiovascular health.

This year I had attended the Legco twice representing the College and Hong Kong Academy of Medicine. Firstly, to support on Proposal to Amend the Health Warnings on Packets and Retail Containers of Tobacco Products, and secondly to elaborate on the adaptation of the Hong Kong Code of Marketing of Formula Milk and related products for Infants and Young Children.

The 2017 HKCFP Visiting Professor in Family Medicine at HKU was Professor Martin Roland. As Emeritus Professor of Health Services Research, University of Cambridge, Professor Roland is a champion of quality enhancement of primary care who designed the “pay for performance” policy in the UK among his other achievements. His keynote presentation in Primary Care Research Symposium 2017 - Implementing Quality in Primary Care at HKU highlighted the needs of the increasing population of patients with multiple complex medical conditions which applied well to the situation in Hong Kong.

The Cross Strait Exchange conference was hosted at Xiamen, Fujian from 17th to 19th March. This year, the College had sent a delegation of nearly twenty headed by our Censors, Prof Donald Li and Prof. Cindy Lam. The first day we had witnessed the first batch of three recipients of HKCFP Donald Li Scholarship. The scholarship was jointly presented by Prof Li and Prof Amanda Howe, President of WONCA.

19th May was the World Family Doctor Day. To celebrate this day, the College had a series of activities which were also part of our 40th Anniversary celebration. On top of “My Family Doctor 2017” TV series, we had a video clip to tell the public about WFDD and the role of family doctor in the community and family. During the week of WFDD, the video clip was viewed in MTR stations, buses, and outdoor screens in popular areas around Hong Kong. An article was published in the local newspaper Headline Daily on 19th May with interview of the College's representatives to promote Family Medicine. Finally, three episodes of live RTHK radio programmes on the “Past, Present and Future of the Hong Kong College of Family Physicians” were also happening in May.

30th October 2016 was our 30th Conjoint Fellowship Examination with the Royal Australia College of General Practitioners. What a milestone! Dr Kaye Atkinson and Dr Chris Hughes, Censors of RACGP were the visiting External Examiners this year. I would like to thank the RACGP for her never failing support and advice. On the day of the OSCE examination, there were over 100 examiners and all the College secretarial staff worked tirelessly as a team to run a very smooth and successful examination. My heartfelt thanks to every single one of them who spent the weekend with us for the College mission. I would also like to congratulate the Board of Conjoint Examination under the leadership of Dr Chan Hung Chiu and Dr Ip Pang Fei, Chief Examiner for running the Examination superbly with all their hard work, experience and dedication. 34 candidates sat for the Written Segments (27 Cat I and 7 Cat II candidates), while 38 candidates sat for the Clinical Examination (36 Cat I and 2 Cat II candidates). 29 candidates passed the Conjoint Examination and awarded the double Fellowships. The “Dr Peter C Y Lee Best Candidate Award 2016” was awarded to Dr Hui Ka Ling, who had passed the Conjoint Examination at one setting and achieved the best performance in the Examination.

The Specialty Board was led by Dr Wendy Tsui and her forever committed team. The Board conducted Supplementary Exit Examination from July to September 2016 and the 2017 Full Exit Examination was held from December 2016 to March 2017. Together 13 candidates successfully completed and passed the whole Exit Examination. Prof Doris Young was again the External Examiner of the 2017 Full Exit Examination. Pre-Exit Examination Training Workshop and Post-Examination Evaluation Workshop after the Examination were organized for candidates. Standardization Workshops for examiners were also held to maintain the standards of the assessment. The Board scrutinized the application for nomination to Fellowship of the Hong Kong Academy of Medicine in Family Medicine. The College submitted 14 fellowship nominations and were all approved by the Hong Kong Academy of Medicine. In 2017, the Award of Outstanding Candidate of the Full Exit Exam was Dr Tse Sut Yee.

The Board of Vocational Training and Standards was chaired by Dr Billy Chiu. The Board had worked tirelessly in preparation for reaccreditation process with RACGP this year and curriculum renewal. The statistics in 2017 are 34 new enrolled Basic trainees and 27 new enrolled Higher trainees. We recognized different trainees may have different training pathway and the time limitation of duration of training for basic training and higher training had been removed. Another very important milestone was the alignment of comparable experience of the six year training requirement for nomination to HKAM fellow for members with HKCFP recognized intermediate qualification. This alignment had already encouraged more members eligible to seek for supplementary training and to sit for Exit Examination leading to nomination as HKAM fellow and Family Medicine specialist status.

The Board of Education was under the leadership of Dr Alvin Chan. The Board had organized countless number of

educational activities including luncheon lectures, Sunday workshops, small discussion group, video-library and video viewing session, cardiopulmonary resuscitation (CPR) training, clinical attachment in ENT and diabetes, assessment enhancement course, post-AEC training course, annual refresher course groups, certificate course and interest groups in Dermatology, Mental Health, Counselling, Evidence Based Medicine, Neuro-musculoskeletal Medicine. This year the Primary Care Office and the Board had jointly organized a Chronic Disease Management training course for primary care doctors to update their knowledge and enhance the skills in better managing patients with common chronic conditions. The Board always represents the primary aim of this College, to educate all who wants to learn. Thank you Dr Alvin Chan and his team!

The Diploma in Family Medicine course had entered her fourteenth year milestone. This was a successful year as twenty-nine candidates graduated in the DFM course in 2017. The Board had successfully completed the second Shunde CFM course with the tremendous support of the Shunde Health Department and generous sponsorship from Shunde District Min Yuen Tong. Thank you to Dr Simon CL Au in leading a very dedicated team and the great contribution to Family Medicine in Hong Kong and China.

The Board of Professional Development and Services under the leadership of Dr Lau Ho Lim had provided educational activities for doctors from Mainland China and Macau in different projects and courses in relation to Family Medicine. The Board had provided 30 hours of Continuous Medical Education Programme in coordination with Macau Health Bureau. Four training courses for Cross-Straits Medicine Exchange Association aiming at giving mainland delegates an insight on the structure of HKCFP and strengthening the knowledge of primary care. The courses constantly received very positive commendation from the attendees. Congratulations to Dr Lau and his team!

The Public Education Committee continued to carry the flag of public education activities. The Committee published articles regularly in the Hong Kong Economic Journal. With the collaboration between the College and RTHK, 10 episodes of TV programme "My Family Doctor 2017" was produced and received high rating. To promote World Family Doctor Day on 19 May, a video clip was produced to illustrate the role of family doctor for the community and family. The team had regularly appeared in different TV programmes to promote Family Medicine. Quarterly public health talk was commenced in 2017 to commemorate the 40th Anniversary. The hard work of Dr Allan Ngan and his team had never got unnoticed in the media.

As the official journal of the Hong Kong College of Family Physicians, the Hong Kong Practitioner continued to serve our College Fellows, Members, and colleagues both locally and overseas as a quarterly publication over the year, reaching out to over 3,500 recipients per issue. Thank you to our Chief Editor, Dr David Chao and his energetic team.

FP Links headed by Dr Wendy Tsui had supplied us with the monthly newsletter of College activities. This link acts as a bridge for communication between members and the College and disseminates College news to local and overseas members. Certainly this has brought the Members and Fellows closer to the College.

The Quality Assurance and Accreditation Committee chaired by Dr Chan King Hong continued to promote participation in continuing medical education by encouraging and identifying high quality activities and giving CME/ CPD points. In particular, Active Learning Mode (ALM) has been endorsed for further development. Active participation in prescribed learning of a prior-accredited activity may earn both CME and CPD points upon successful submission of both pre- and post- MCQs.

The Membership Committee headed by Dr Loretta Chan had undertaken the huge task of reviewing the Articles of Association and suggested relevant amendments.

I reserve the biggest thank to Dr David Chao in organizing the Internal Affairs Committee. To organize the Conferment is a colossal task. Our Annual Dinner was always a successful event and for the third time running it was held at the Hong Kong Academy of Medicine in December 2016. The Annual Dinner was well received by 188 participants. The Committee also runs the Photography Club. We are eagerly waiting for the winner of the photo competition with the theme "My Family Doctor" at the next annual dinner.

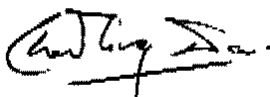

Business Management Committee under Dr Mary Kwong, House Management Committee under Dr Lau Ho Lim, Finance Committee under Dr Billy Chiu, Web and Computer Committee under Dr Mark Chan and Research Committee under Dr Daniel Chu had completed and complimented the full operation spectrum of our College. Big thanks to all of them in making the College functional!

Many council members have also contributed through representation of our College / HKAM in various professional committees including:

- Dr Angus Chan in HKAM CME Subcommittee for non-specialist; DH Advisory Committee on Primary Care Directory; DH Advisory Group for Antibiotic Stewardship in Primary Care Settings in Hong Kong; Hong Kong Medical Council Licentiate Committee

- Dr Law Tung Chi in Working Group on Communication Module of Simulation Training, the College of Surgeons of Hong Kong;
- Dr Dana Lo in Task Force on Hong Kong Code of Marketing of Breastmilk Substitutes; Self-Learning Kit on Breastfeeding for Medical Professionals, Project Planning Committee; Committee on Promotion of Breastfeeding, Food and Health Bureau;
- Dr Gene Tsoi in three Task Forces on Conceptual Model and Preventive Protocols; Primary Care Directory; Primary Care and Delivery Models, Working Group on Primary Care; WONCA International Classification Committee;
- Dr Mary Kwong in the Resuscitation Council of Hong Kong;
- Dr Chan King Hong in Occupational Health Advisory Committee;

The hard work of our secretarial staff was led by Ms Erica So. All the secretarial staff included Ms Crystal YUNG, Ms Teresa LIU, Ms Alky YU, Ms Carmen TONG, Mr Jeff CHENG, Ms Charlotte CHEUNG, Ms Priscilla LI, Ms Windy LAU, Mr John MA, Ms Cherry CHAN, Ms Katie LAM, Ms Natalie HO, and Ms Wing YEUNG deserved the biggest commendation.

Last but not least, I owe a debt of gratitude to my Chief Censor Prof Cindy LK Lam, Censors Dr Stephen KS Foo and Prof Donald KT Li, and Immediate Past President Dr Ruby Lee for their valuable advice and guidance. They are always available whenever I am in need.

Dr Angus M W Chan
President

HONORARY SECRETARY'S MESSAGE (DR WILLIAM C W WONG)

(July 2016 to June 2017)

I am delighted to take up the position as the Honorary Secretary of the College from December 2016.

Under the leadership of our College President, Dr Angus Chan, the College continues to work diligently on the promotion of quality Family Medicine. The Council, and the members alike, have put in tremendous efforts at the local, national and international fronts for the advocacy work for our discipline, to which I would like to highlight some of the main College events and achievements between July 2016 and June 2017.

The foremost and most significant wonderful news was received from World WONCA and WONCA Asia Pacific Region (APR) respectively in November last year when Prof Donald Li, our Censor and Past President, was elected as President-Elect (2016-2018) and the President (2018-2020) of the World WONCA. We are very proud to have Prof Donald Li represents us as a World Leader in Family Medicine, which is the second time that the College enjoys such an honour after the late Dr Peter Lee. Also, Dr Gene Tsoi, our Council Member and Past President, was elected as Vice-President (2016-2018) of WONCAAPR. We are confident that Dr Tsoi will continue to promote comprehensive development of Family Medicine & Primary Care in the Asia Pacific Region.

In the same month, Professor David Weller, HKCFP Visiting Professor of the University of Hong Kong, visited Hong Kong and met with the Council. Professor Weller is the James Mackenzie Professor of General Practice; Director of the Centre for Population Health and Vice-Dean (international) at the University of Edinburgh. His main research interest are cancer screening and medically unexplained symptoms. The Visiting Professor Programme has been sponsored by the College as one of the main vehicles to promote primary care research and quality teaching at the university.

This was followed by the highlights in World Family Doctor Day 19th May. The College's 10 episodes of TV programme, "My Family Doctor 2017" produced by Radio Television Hong Kong, in collaboration with the Primary Care Office, Department of Health were launched since 13th March 2017, in addition to a video clip to promote Family Medicine to the general public on World Family Doctor Day about the role of family doctors for the family and the community. During the weeks preceding to World Family Doctors Day, it was broadcasted at the MTR stations, buses, and some the outdoor screen in the well-known areas of Hong Kong.

Our College supports the current mission of nourishing more young doctors to be leaders in WONCA. As such, the HKCFP Young Doctors Committee was formed and was endorsed by the College Council in May 2017, with the aims to engage more young doctors in College activities and enhance their communication, to nurture young leaders, to connect young doctors locally and internationally, and to promote continuity of representations by our young College members at national and international events.

Moreover, the College continues to advocate for Family Medicine at policy level: we were invited by the Food and Health Bureau, Hong Kong SAR Government to submit our statements to Legislation Council on two important issues: Proposal to Amend the Health Warnings on Packets and Retail Containers of Tobacco Products; and Proposed Regulatory Framework for Medical Devices. In response to the Chief Executive's Policy Address 2017, HKCFP strongly advocated the Government to provide adequate resource for vocational training for family doctors; private-public partnership; and involve family doctors in health promotion and management of mental health.

2017 is the 40th Anniversary of our College. This marks a significant milestone of Family Medicine and Primary Care development in Hong Kong. In celebration of our 40th Anniversary, a series of exciting and innovative events are being organized throughout the year. The Hong Kong Primary Care Conference would be named as HKCFP 40th Anniversary Conference and arranged in September 2017.

There would have more and more important work awaiting ahead. I would take the opportunity to thank all the contributions from our dedicated fellows, broads and committee members. I would also like to express my sincere gratitude to the Secretariat and Ms Erica So, our General Manager, for their hard work to make all these events run smoothly throughout the year.

The Examination

The format of the 30th Conjoint Examination 2016 was the same as in previous years, consisting of both Written and Clinical Examinations.

Preparatory works for both segments started early from the beginning of the year. Thanks to the tremendous contributions of our

Board members, our Case Writers and all our examiners.

Workshops for Examiners

- 1st Examiner Training Workshop for OSCE 17 July 2016 (Sunday)
- 2nd Examiner Training Workshop for OSCE 14 August 2016 (Sunday)
- Workshops on Standard Setting for KFP exam paper 28 August 2016 (Sunday)
- Workshop on Standard Setting for MCQ exam paper 21 & 22 August 2016 (Sunday, Monday)
- KFP Marking Sessions 2, 3, 4 September 2016 (Friday, Saturday & Sunday)
- Case-writing Meeting for MCQ 10 January 2016
- Case-writing Group Meetings for OSCE 7 April and July - August 2016
- 3rd Examiner Training Workshop and On-site Examiners' Rehearsal for OSCE 2 October 2016 (Sunday)

Information Seminar and Rehearsal for Candidates

An information seminar for candidates sitting the clinical segment was organized on 26 June 2016. 25 candidates attended. The purpose of the seminar was to provide first-hand information to the candidates on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help them become better prepared for the examination and to minimize their anxiety and misunderstandings. Interactive sessions with video-taped scenarios were also conducted.

Same as last year, candidates this year were invited to the rehearsal for OSCE on 2 October 2016 in participating as 'real candidates' in the prepared clinical scenario. The purpose was to allow the candidates to have an actual on-site experience of the OSCE. 30 candidates attended. The feedback received was positive. The Board will consider repeating similar arrangement in the following year.

The Conjoint Fellowship Examination

Written Segments:

MCQ	21 August 2016 (Sunday)	HKAM Jockey Club Building
KFP	28 August 2016 (Sunday)	HKAM Jockey Club Building

Clinical Segment:

OSCE	30 October 2016 (Sunday)	Our Lady of Maryknoll Hospital
------	--------------------------	--------------------------------

External Examiners from RACGP

Dr Kaye Atkinson (Censor) and Dr Chris Hughes (Censor) were the visiting External Examiners from RACGP this year for the OSCE Examination on 30 October 2016.

Number of candidates

There were altogether a total of 67 candidates sitting for this year's examination, with 60 and 7 candidates of Category I and Category II respectively.

34 candidates sat for the Written Segments (27 Cat I and 7 Cat II candidates), while 38 candidates sat for the Clinical Examination (36 Cat I and 2 Cat II candidates).

Security

Strong emphasis was put on the security measures as in previous years. All preparatory procedures were carried out according to our security protocols, including:

1. Strict adherence to the Working Protocol by staff handling all the Examination Materials.
2. Use of designated Case-Writing Subcommittee, consisting of Examiners, led by our Chief Examiner, to be responsible for the preparation of all the OSCE cases.
3. A centralized process for development of examination cases and marking schemes, with examination materials exposed to a minimal number of persons.
4. Strict adherence to the security protocol for the OSCE exam by all examiners (including strict prohibition of electronic transference of exam materials).
5. Sharing cases with RACGP to widen our exam case bank.

6. Transmission of confidential exam materials through the secured sharing platform as suggested by RACGP.
7. Presentation of OSCE exam materials to examiners only on the day of exam.
8. Continual appeal to the professional integrity of all involved in running the exam.
9. Proper “quarantine” of candidates of the morning and afternoon sessions respectively on the day of OSCE exam.
10. Forbiddance of use of any electronic devices by candidates inside exam venue.
11. Prompt data entry of candidates’ scores on the same day of exam.

All these measures, among many others, were well adhered to throughout the whole examination period.

Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experienced examiners also helped to improve its validity. Our QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

To facilitate better understanding for our External Examiners in our Cantonese speaking stations during the OSCE examination, instant translation (in writing) had been arranged.

Comments on individual examiner by various QA Examiners had been grouped and sent to each examiner for reference.

Examination Prize: "Dr Peter C Y Lee Best Candidate Award 2016"

It was the eleventh year that the College offered this prize. From the year 2013, this award was renamed “**Dr Peter C Y Lee Best Candidate Award**” for commemorating Dr Peter Lee’s contribution to the discipline of family medicine. The “Dr Peter C Y Lee Best Candidate Award 2016” was presented to Dr HUI Ka Ling Karen, who had passed the Conjoint Examination at one setting and achieved the best performance in the Examination.

Acknowledgement

The Board of Conjoint Examination would like to thank our Chief Examiner and segment Coordinators for contributing so much of their time and effort throughout the entire examination, all the Board members for their active participation, the External Examiners from RACGP for their continual advice and support, all our QA Examiners, Case-writing and Marking Examiners, Trainee Examiners, and Role Players for their time and contributions before and during the examination, and all our College secretarial staff and helpers for their excellent administrative and supportive works

CHAIRMAN'S MESSAGE

The DFM course entered her fourteenth year. This was a successful year as twenty-nine candidates graduated in the DFM course in 2017. The Board praised the candidates for their hard work and commitment in learning new knowledge and skill in Family Medicine and congratulated them on their wonderful accomplishment.

This year has been another memorable year to the DFM board. Our Board has successfully completed the second Shunde CFM course with the tremendous support of the Shunde Health Department and generous sponsorship from Shunde District Min Yuen Tong (順德綿遠堂). The Board has modified and translated the CFM materials to cater the cultural needs of our Shunde colleagues. Our Board members have found this new Shunde teaching experience rewarding and meaningful. We highly enjoyed the local Shunde food and the hospitality of our friendly Shunde Health official and colleagues. The Shunde Health officials and our Board both wish to continue the Shunde CFM course in the coming year to benefit more Shunde doctors.

On behalf of the Board, I would like to take this opportunity to thank Professor Cindy Lam, Professor Donald Li, Dr Stephen Foo and our President, Dr Angus Chan for their continuous support and guidance. Lastly, I like to express my deepest appreciation to Dr. Chan Chi Wai for leading his team in organizing a very successful examination, Dr Chan Man Li for his dedication in clinical examination, Dr Tsui Hoi Yee for her dedication in written examination and all the hardworking Board members, teachers and examiners for their unflinching support and selfless contribution. I also wished to thank our secretarial staffs Ms Alky Yu and Mr Jeff Cheng for their diligent work.

CHAIRMAN'S MESSAGE

During the year 2016 - 2017, the Board continued to organize a series of different educational activities for our members and doctors in Hong Kong. These abundant activities are outlined below.

Video-Library and Video-Viewing Session

For the year 2016 we arranged 10 video sessions in our Wanchai College premises on a monthly basis. Video Library has been set up since July 2005. Video viewing session is scheduled on the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F, Duke of Windsor Social Service Building, Wanchai. The topics are selected from the lectures in our Luncheon CME activities, various Interest Groups and Annual Refresher Course. These viewing sessions are open only to our members. 1 CME point per session is accredited to colleagues who attend the viewing session. A maximum of 2 CPD points may be accredited (subject to submission of satisfactory report of Professional Development Log). It is encouraging that the number of attendance is increasing. The topics presented were as follows:

- Osteoporosis: Where are we now? What shall we go next?
- Clinical Approach to Alopecia
- Management of Insomnia and the Use of Hypnotics
- New update on Once-Daily ICS/ LABA management in Asthma
- Limb Dermatoses for Family Physicians
- Glycemic index – Non-alcoholic fatty liver disease
- Understanding fats Good VS Bad
- Practical Approach to LUTS o PBH
- Clinical Approach to Alopecia
- Managing Diabetes – Beyond Cardiovascular Safety: Evidence of Renal Benefit
- Role of HMB on healthy aging

The Board would like to take the opportunity to thank Dr MO Kam Chuen and Dr CHEUNG Ying Man in running the monthly video session very smoothly and especially Dr Cheung's effort in producing the high quality video. With Dr Cheung's works, the participants will feel like attending the luncheon meeting live while watching the video.

If you have interest to view these videos, you can contact our secretaries and they are happy to make arrangement for you.

Small Discussion Group

It is good news that the number of Small Discussion Groups has increased to 203 in 2016. Participants will gain 1 CME point per hour and the speaker will gain an extra 1 CPD point. Well-written synopses will be published in our College Journal 'Hong Kong Practitioner' to give credit to the excellent work of some small discussion groups. However, synopses not up to standard are requested to be re-written again.

The Board would like to take the opportunity to thank Dr TONG Siu Man and other Board members in reviewing all the synopses and protocol, making sure the standard is reached.

Cardiopulmonary Resuscitation (CPR) Training

As required by the Royal Australian College of General Practitioners (RACGP), CPR training course needs to have advance component on airway management, neck support and automated external defibrillation (AED) on top of basic life support. In order to align with our Sister College (RACGP) and in achievement of reciprocal recognition in Conjoint Fellowship Examination and Quality Assurance Certificate, an enhanced CPR course, the Advanced Primary Care Life Support (APCLS) organized by the CPR Subcommittee was launched in 2017.

APCLS course materials have been endorsed by HKCFP Council in 2015 and the Resuscitation Council of Hong Kong (RCHK) in 2016. The course aims to widen the scope of our existing CPR training course by adding several important elements: use of automated external defibrillator (AED), use of airways adjuncts and dealing with initial trauma care through use of neck support. The Board would like to thank RCHK for their continuous support. This year, we had 59 members who passed the APCLS Examination and were awarded the Certificate of Competency in Advanced Primary Care Life Support, which is also endorsed by the Resuscitation Council of Hong Kong.

The Board would like to express our deepest appreciation to our external examiners from RCHK, namely Dr Axel Y C SIU, Dr. SO Hing Yu and Dr. CHOY Chi Chung respectively in the instructor and examination workshops. Furthermore, sincere thanks must be given to Dr David S L CHAN, Dr AU-YEUNG Shiu Hing, Dr KONG Che Wan, Dr Mary B L KWONG, Dr Peter K Y LEE and Dr WONG Pak Hoi in coordinating the training manuals, various workshops; and all instructors and trainee instructors as listed below for their time and effort in helping out the CPR training and examination for our members.

Instructors: Dr. AU-YEUNG Shiu Hing, Dr. Patrick H W CHAN, Dr. David S L CHAN, Dr CHEUNG Ying Man, Dr HUI Lai Chi, Dr. Winson W Y HUNG, Dr KO Siu Hin, Dr. KONG Che Wan, Dr Michael C H KWOK, Dr Mary B L KWONG, Dr Stanley K H LAM, Dr Peter K Y LEE,

Dr Daniel C Y LEUNG, Dr Danny P K MA, Dr MO Kam Chuen, Dr SO Siu Hei, Dr SUNG Tai Wai, Dr Leon TONG, Dr Keith TSE, Dr WONG Ka Wah and Dr. WONG Pak Hoi.

Trainee Instructors: Dr CHAN Fu Leung, Dr. CHAN Ka Wai, Dr Clarence C M CHOI, Dr. KWONG Hon Kei, Dr John T N CHUNG, Dr LAU Pui Ling, Dr Millicent L K LEUNG, Dr Selina S W LEUNG, Dr NG Yiu Kong, Dr. TSUI Hiu Fa, Dr TAM Wah Kit, Dr Luke C Y TSANG, Dr Amy O Y WONG and Dr WONG Wai Man.

Clinical Attachment

Being the Chairman, I am glad that we have two clinical attachments this year with the support from our hospital colleagues.

Diabetes - United Christian Hospital
ENT - Department of Otorhinolaryngology, Head and Neck Surgery, CUHK

The Board would like to express our sincere thanks to Dr Grace KAM, Dr HUNG Chi Sang, Dr Elaine CHEUNG, Dr Flora HO, Ms Maisy MOK and staff of United Christian Hospital. Prof Michael TONG, Prof C A van HASSELT, Dr John WOO and the staff of their departments for organizing our clinical attachments in Prince of Wales Hospital. The clinical attachments are aimed at in-depth and structural teaching of our members in these specialties.

Assessment Enhancement Course

Assessment Enhancement Course remained the most welcome course in her 17th year of establishment. I would like to thank all the tutors in contributing their time and effort in this course. They help tremendously in improving the skills on consultation, physical examination and other various aspects of the participating doctors. These are very useful to our members in preparing the Conjoint Fellowship Examination. The Board would like to express our sincere thanks to Dr Florence S S LAI in coordinating the course and all tutors for their hard work as follows: Dr CHAN Lit Ping, Dr CHAN Man Li, Dr CHUNG Kin Wing, Dr DAO Man Chi, Dr FOK Peter Anthony, Dr LEE Kit Yan, Dr OR Ka Yan, Dr Janet C Y TAM, Dr TSUI Hiu Fa, Dr WONG Chun Fai, Dr WONG Hiu Lap, Dr Kitty K WONG and Dr Florence K H WONG.

Post-AEC Training Course

As doctors working in private practice (Category II candidates) are lacking structural training, the Post AEC Training Course was first launched in April 2010 for the AEC Category II candidates to help them to form study groups and to provide the platform to facilitate them for preparing the Conjoint Fellowship Examination with formal group support and tutors. The Board would like to express our sincere thanks to the Co-ordinator, Dr Peter K Y LEE in coordinating this course all along.

Annual Refresher Course

Annual Refresher Course is the traditional major year-end event for 36 years. This year, we had 5 weekday lectures and 4 Sunday workshops and were attended by over 170 members. Thanks for all those participants who returned their evaluation questionnaires. The comments and suggestions are valuable in helping us to plan for the coming ARC in the coming year 2017.

Collaboration between Hong Kong College of Family Physicians and Primary Care Office, Department of Health

Cardiovascular problems, geriatric problems and psychological conditions are the common chronic diseases that primary care doctors would encounter daily. The Primary Care Office (PCO) of Department of Health and the Hong Kong College of Family Physicians (HKCFP) had jointly organized a Chronic Disease Management (CDM) training course for primary care doctors to update their knowledge and enhance the skills in better managing patients with common chronic conditions.

The whole training course consisted of 2 phases. In the first phase, 3 Lunch Symposia and site visit to Diabetes Hongkong and HK Alzheimer's Disease Association were held to on preventive care, chronic diseases management and mental health. In the 2nd phase, a clinical attachment on chronic disease, e.g. diabetes mellitus will be organized, to bring in more clinical aspects through patient encounters from clinical attachment, so as to strengthen the practical skills on managing chronic diseases.

Professional Development Subcommittee

Since 2005, eight Interest Groups have been formed under Professional Development Subcommittee Clinical Family Medicine, Chronic Disease and Geriatrics, Counseling, Dermatology, Evidence-based Medicine, Medico-legal Alert, Mental Health and Psychiatry in Primary Care, and Neuro-Musculoskeletal Interest Groups.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix, knowledge transfer and bridging the professional gap. This will help to solve our clinical problems and queries, upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better

management and a high-quality health care for the public.

The Interest Group in Dermatology scheduled to have regular bimonthly meeting on the first Saturday afternoon of odd months (except public holidays) in the year 2016. We had 6 meetings in 2016.

SCHOLARSHIP

HKCFP Donald Li Scholarship

The HKCFP Donald Li Scholarship was established in March 2016 thanks to the generous donation by Prof Donald Li. It aims to provide an opportunity for outstanding family doctors in China with the appropriate knowledge, attitude and practical experience to have further practical family medicine training opportunities in Hong Kong.

The applications are open to those doctors in China who have attended the Training Course in Family Medicine in Hong Kong co-organised by the Hong Kong College of Family Physicians and the Cross-Strait Medicine Exchange Association. The applicants are required to fill in an application form and write an essay of not more than 800 words outlining their specific learning objectives in family medicine and their views on family medicine learning.

The Scholarship is to be awarded to three practising front-line doctors in China who have attended the Training Course in Family Medicine in Hong Kong co-organized by the Hong Kong College of Family Physicians and the Cross-Strait Medicine Exchange Association each year. Each recipient of the Scholarship will receive HK\$10,000 for further practical family medicine training in Hong Kong for one week. They will be assigned attachments to approved FM training centres in Hong Kong.

The result of the HKCFP Donald Li Scholarship 2016 were vetted and endorsed in January 2017 by a Selection Committee formed under the Board of Professional Development and Services. Details as follows:

CHAIRMAN'S MESSAGE

This year has passed smoothly in the running of the Board's regular activities. All Board members and subcommittee members had helped on various BVTS's activities such as responding trainees' enquiries, checking new applications for enrollment and accreditation, checking logbooks for completion of trainees' training, organizing the workshop for both basic and higher trainees, travelling to various training centers for accreditation, reviewing the Structural Education Programmes for pre-approval and holding the quarterly board meeting etc. All these activities are ongoing all through the year and important to the standard of vocational training.

The usual statistics up to 31st March 2017 are as follows:

New enrolled Basic trainees	:	34
New enrolled Higher trainees	:	27
Total Basic trainees	:	108
Total Higher trainees	:	55

Our curriculum renewal is an ongoing process. To be in a line with RACGP, the Curriculum Review Subcommittee reviewed the Training Programme and the Basic Community-based Training Curriculum in training logbook has been substituted by the supplementary documents. A trial run for new Basic Community-based Training Curriculum started from 1st July 2016.

We are continuing the timeline as scheduled by RACGP on the re-accreditation process for the HKCFP as an International Training Provider. An anonymous and voluntarily based RACGP survey for HKCFP Training programme re-accreditation was distributed in February 2017. The response was in positive nature with an overall satisfaction rating of the quality of training received from the HKCFP. Also, the HKCFP Accreditation Submission and supporting documentation was completed in March 2017. A three-day accreditation site visit would be carried out in June 2017.

We welcome Dr Liang Jun to join BVTS as Board member. His participation is definitely valuable to our Board. We also welcome all other new members to join the various subcommittees of the Board.

Lastly, I would like to take this opportunity to thank all our Board members, honorary clinical supervisors, and cluster coordinators for their contributions in the training programme. I also would like to express my gratitude to our executives' Ms Carmen Tong and Ms Charlotte Cheung who are all committed in their duties to serve the trainees and the Board's running. Their efforts and patience are very much appreciated.

CHAIRMAN'S MESSAGE

During this year, the Hong Kong Practitioner, the official journal of the Hong Kong College of Family Physicians, continued to strive for providing update on Family Medicine related issues to our College Fellows, members, and colleagues both locally and overseas, reaching out to over 3500 recipients per issue. Among the published manuscripts, 2 articles (8%) were original research articles, 6 articles (25%) were update articles, 3 articles (13%) were discussion papers, 4 articles (17%) were editorials, 4 articles (17%) were clinical quizzes, 4 articles (17%) were internet update topics and 1 article (4%) was Dr Sun Yat Sen Oration.

The Board would like to thank Professor Sian M GRIFFITHS and Dr Kenny KUNG, both have retired from the Board in January 2017 after years of dedicated service to the Hong Kong Practitioner as an Advisor and a Deputy Editor respectively.

We would like to take this opportunity to express our gratitude towards all the contributing authors, editorial board members, business manager, advisers, ex-officio colleagues, statistical consultant and our secretariat staff for their tremendous support and dedication over the previous year. Our heartfelt appreciation also goes to the general readership of the Journal for their continuing support. The Editorial Board is determined to further enhance the spectrum of family medicine relevant clinical articles for the busy family physicians in the coming years.

CHAIRMAN'S MESSAGE

2017 is the 40th Anniversary of our College, the Hong Kong College of Family Physicians (HKCFP). This marks a significant milestone of Family Medicine and Primary Care development in Hong Kong, truly deserving a great round of applause and celebration. In celebration of our 40th Anniversary in 2017, a series of exciting and innovative events had been planned throughout the year to continue serving the College members and Fellows as well as raising the public awareness on the importance of quality family practice in the community. The HKCFP 40th Anniversary Celebration Organising Committee was established in October 2016 to steer the overall organisation of celebration programmes, events and activities.

Upon the initial estimation of the budget planning for the 40th Anniversary celebration activities throughout 2017, the Business Management Subcommittee was formed to conduct sponsorship raising arrangements and to overall coordinate the educational activities and events of the College in the celebration year. Sponsorship packages for HKCFP 40th Anniversary Celebration Events were proposed. The Subcommittee acted as a liaison party between related Boards and Committees, e.g. Board of Education, Public Education Committee, Photography Club of Internal Affairs Committee, etc. and potential outside sponsors for the organisation of 40th Anniversary Celebration activities. The subcommittee members had met with many potential sponsors according to the sponsorship packages. Consequently, there would be about 100 educational activities and events organised during our 40th Anniversary year.

The celebration was kick-started by the 40th Anniversary Logo Competition in August 2016. The Committee received 8 applications with 13 entries from local and overseas participants by the deadline on 31 October 2016. The winning entry finally went to Mr ShawHong SER from Thailand and the result was announced in the Annual Dinner on 4 December 2016. The winning logo would appear in various materials and applications related to the celebration activities throughout the HKCFP 40th Anniversary year. The Committee would like

to express their sincere congratulations to the Logo Design Competition winner and to convey their heartfelt thanks to all who had participated in the Competition.

The Committee has designed its own Stamp Gift Pack including a First Day Cover and a pane of 12 stamps. The First Day Cover would be sent to members in July 2017. The stamp used on the First Day Cover would be one of twelve stamps selected randomly from the 40th Anniversary Stamp Gift Pack.

The Committee via the Public Affairs Subcommittee has also organised the following series of Health Talks to be held in various districts, namely 「更致全康四十載 春夏秋冬健康來」 for the public to promulgate the concepts of Family Medicine, and highlight to the public the important role of Family Doctor as the “first contact care” for patients and their family.

College Members and Fellows have been invited to write on the topic “I am a Family Doctor” (我是家庭醫生). Submissions would be related to case sharing, interesting encounters, reflections and aspirations as a family doctor. The selected articles would be published in FP Links and College website during the period of HKCFP 40th Anniversary year.

Same as that in the 30th Anniversary of the College, the Committee via the Publication Subcommittee would also prepare the HKCFP 40th Anniversary Book which would mainly collect the stories related to Family Medicine happened in the most recent 10 years. A disk containing the soft copy of the HKCFP 30th Anniversary Book would also be enclosed in the HKCFP 40th Anniversary Book. The books would be available in early December 2017.

The Hong Kong Primary Care Conference arranged by the Anniversary Conference Organising Committee would be named as the HKCFP 40th Anniversary Conference and would be held on 2 – 3 September 2017 (Saturday - Sunday) at the Hong Kong Academy of Medicine Jockey Club Building, with the theme of “From Seedling to Forest – Ever Enriching Primary Care”.

A series of photographic activities including a photo competition entitled with the theme of “My family Doctor” would be organised within 2017. The winning entries would be presented in the 40th Anniversary Dinner at the end of the year.

On behalf of the HKCFP 40th Anniversary Celebration Organising Committee, I would like to thank you all for your support and participation in the forthcoming celebration activities and share the joyfulness of this highly commemorative year together. For more information and updates regarding the Celebration activities, please visit the College website at www.hkcfp.org.hk.

Last but not the least, we would like to thank the Committee members and the Subcommittees' members for their unfailing support, dedication, and advice during the preparation of the celebration events. We would also like to express our sincere gratitude towards our College Secretariat for their hard work to make all these events run smoothly throughout the Anniversary year.

This year is another busy year. We have organised different types of CME activities for our members. The regular bi-monthly Dermatology and Mental Health Interest Groups, the Musculoskeletal Interest Group, Evidence Based Medicine Interest Group and Counselling Interest Group are most welcome by our members. Training course on Cardiopulmonary Resuscitation (CPR) named Advanced Primary Care Life Support (APCLS) Training Workshop and Examination Workshop were taken place in March and April 2017. Chronic Disease Management & Quality Improvement Training Course co-organized with Primary Care Office and the Certificate Courses including Practice Management, Bringing Better Health to our Community co-organized by Queen Elizabeth Hospital, Certificate course on Peripheral Arthritis Pain, Low Back Pain, Inter-relationship of Pain and the Interactive Roles of Primary Care Professionals and Pain Specialist, are welcome by our College members with good attendance. As usual, we have yearly pre-examination workshop for the candidates and standardization for the examiners arranged by Board of Examination and Specialty Board. The Hong Kong Primary Care Conference 2016 with the theme "A Flourishing Community – Our Vision in Primary Care", was held on 4-5 June 2016 with more than 450 participants. Assessment Enhancement Course (AEC) and Annual Refresher Course (ARC) are also successfully arranged by Board of Education. These valuable activities, some are generously sponsored by the pharmaceutical companies, can effectively enhance and update a board range of medical knowledge for our members.

We had a memorable evening of 39th Anniversary Dinner held on 4th December, 2016 at the Hong Kong Academy of Medicine Jockey Club Building, and shared our joyful moment with all our members and invited guests together. We had the dinner lucky draw that night. I would like to take this opportunity to thank our College members, Actavis HK, Cordis Hotel, Lundbeck HK, Nestle HK and Min Yuen Tong for their generous donation of the lucky draw prizes.

Our Journal remains to be one of the most outstanding and widely circulated local medical literatures. The advertising section in The Hong Kong Practitioner and The FP Links is becoming more popular. The demand for the College's bulk e-mail mailing and circulating services from members and other institutions has likewise increased.

On behalf of the College, I would also like to express my gratitude to all the following companies for their generous support for the College's functions in the past one year:

A Menarini Hong Kong Limited	Merck, Sharp & Dohme (Asia) Limited

CREDENTIALING COMMITTEE

(April 2016 – March 2017)

Chairman: **Dr Gene W W TSOI**

Members: Dr David V K CHAO
Dr CHAN Hung Chiu
Dr LUK Kam Hung

Advisor: Prof Donald K T LI

Ex-officio: Dr Angus M W CHAN (President)
Dr LAU Ho Lim (Vice-President, General Affairs)
Dr Billy C F CHIU (Honorary Treasurer)
Dr William C W WONG (Honorary Secretary)

Staff: Ms Erica M SO (General Manager)

At the Hong Kong Academy of Medicine's Strategic Planning Workshop held on 19 March 2016, it requested that Colleges must set up Credentialing Committee and report to the Academy after its formation. College must report to the Academy about the Committee membership, term of reference, procedures identified for credentialing, cycle of credentialing, and whether to involve external parties. The aim is to ensure higher competency of Fellows, as well as patient safety.

The College set up the Credentialing Committee in January 2017. The membership of the Committee would consist of the Vice-President (Education and Examinations), one representative each from Specialty Board, Board of Conjoint Examination, and each relevant Special Interest Group (SIG) or ad hoc members for the relevant credentialing activities.

EDUCATION COMMITTEE (AM AFFAIRS)

(April 2016 – March 2017)

Coordinator: **Dr David V K CHAO (Vice President, Education and Examinations)**

Staff: Ms Erica M SO (General Manager)

Training Collaboration between Hong Kong Academy of Medicine (HKAM) and Hospital Authority (HA)

The representatives of HKAM and HA met to discuss the possible collaboration to facilitate the logistics for College examinations, including the provision of HA's venues and manpower in supporting the examinations, and the consistency / transparency of HA's fees and charges.

A Doctors' Training Database was initiated by HA which could provide a common platform for resource and manpower planning shared by the Academy, the Colleges and the HA. The concern of personal data sharing across different parties would be further clarified before going ahead with the proposal.

HKAM Strategic Planning Workshop

A Strategic Planning Workshop was held on 19 March 2016. Three main areas were discussed, namely training curriculum review, credentialing and simulation training. Individual Colleges would be required to conduct their own training curriculum review and set up their Credentialing Committee.

Credentialing Committees

Our College had set up a Credentialing Committees in January 2017 according to Academy's recommendation. Colleges have the autonomy to decide the scope and terms of reference of their respective Credentialing Committees.

Medical Education Conference 2016

The Pre-conference workshops and Medical Education Conference were held on 26 May 2016 and 27 May 2016 respectively.

Each College was provided with 10 complimentary registrations.

Dr David Chao was HKCFP's official representative to join the Organising Committee. Dr LUK Kam Hung, Segment Coordinator of Practice Assessment, Specialty Board, was invited to deliver the symposium on Practice Assessment.

The Medical Education Conference 2017 was scheduled on 27 May 2017.

CME and CPD Requirements

Data from the Academy's iCMECPD system were analyzed. In general, around 20% - 50% of Fellows' CME and CPD points were obtained from "non-passive" activities, which was higher than the required 16.7%. On average, Fellows attained 160 points in the last 3-year cycle, which was higher than the required 90 points.

There would be no changes required for the Principles and Guidelines on CME and CPD for the Cycle 2017-19; however, it was suggested that analysis could be done to find out the pattern of CME and CPD activities participated by Fellows.

Updates on iCMECPD App, Online Accreditation Application and Attendance Records Process for CME and CPD

Starting in 2017, organisers would be required to make use of the online system to submit its applications for Colleges to assess and accredit the events. The organisers would also be required to upload/confirm the attendance records online after the events.

Submission of application via email/post/fax would not be accepted and Colleges' attendance record sheets for Fellows would not be provided by the Academy after 30 June 2017.

If an organiser wished to continue submitting applications by email/post/fax and using Colleges' attendance record sheets afterwards, they would be required to indicate them in the application form and pay the processing fees (\$500 per application, and \$100 per College joining iCMECPD for processing attendance record sheets).

EXTERNAL AFFAIRS COMMITTEE

(July 2016 – June 2017)

Chairman: Dr Angus M W CHAN

Member: Dr Catherine X R CHEN
Prof Samuel Y S WONG

Ex-officio: Dr LAU Ho Lim (Vice-President, General Affairs)
Dr David V K CHAO (Vice-President, Education and Examinations)

The South China Morning Post published two articles in the health column, one was "Specialist Visits May Increase Hospital Stays" posted on 29 August 2016 and the other was "Silver Tsunami Threat to Public Hospitals" posted on 12 September 2016. These two articles highlighted the problem of resources allocation in primary healthcare system and the issues came with the ageing population. The College wrote to the Editor to reiterate the importance of training enough qualified Family Doctors, the role of Family Medicine in the Voluntary Health Insurance Scheme and the whole Primary Care System planning. We hope to take advantage of the attention promoted by the news to lobby the government for more support.

The 2016 World Conference of WONCA was held from 2 – 6 November 2016 in Rio De Janerio, Brazil. However, the Zika virus alert had become a deterrent for members and fellows to attend the conference. Dr Doanld Li and Dr Gene Tsoi were the official delegates to attend Wonca Asia Pacific Regional and Wonca World Council meetings on behalf of the College.

In the World WONCA Council meeting, Prof Donald Li, our Censor and Past President, was elected as President-Elect (2016-2018) and he will be the President from 2018 – 2020 of the World WONCA. We are extremely honoured to have Dr Doand Li as a World Leader. After Dr Peter Lee, this is the second time the College has received this honour. Dr Gene Tsoi, our Council member and Past President, was also elected as Vice-President (2016-2018) of WONCA APR. We are confident Dr Tsoi will continue to encourage more comprehensive development of Family Medicine and Primary Care in the Asia Pacific Region.

The Fourth Cross-Straits Conference on General Practice was held in Xiamen China from 17 to 19 March 2017. The Hong Kong College of Family Physicians was invited as one of the co-organisers. The College had 13 participants from the Council and members to support the Conference. Speakers from the College shared with Mainland GPs on various topics and studies.

An interview article with HKCFP representatives was published in the local Newspaper "Headline Daily" on 19 May in celebration of the World Family Doctor Day. The interview highlighted the work of the College and enhanced the public awareness of the role of Family Doctor.

In June 2017, the College issued a press release in response to Hong Kong's first comprehensive medical staffing review which showed a severe shortage of doctors. The College recommended the Government and Hospital Authority to provide more resources to primary care and to train adequate number of family doctors to meet the challenges of our ageing population.

With careful monitoring by the Finance Committee, the financial situation of the College in 2016-2017 continued to remain sound and healthy. Our accumulated financial reserve kept on growing steadily. There is now a deposit of equivalent of over HK\$14.9 million in our accounts. There are no major changes in our portfolio as compared to the previous financial year. Only about 18.6% of our portfolio is in equity shares, purchased when they were first issued, and the great majority of our funds are in the form of cash savings in various banks.

I would like to express my sincere thanks to Dr Angus Chan, our President, Dr Lau Ho Lim, our Vice-President (General Affairs), Dr David Chao, our Vice-President (Education & Examinations), Dr William Wong, our Honorary Secretary, Ms Erica So, our General Manager and Ms Priscilla Li, our Administrative Executive, for their continuous support and services. I would also like to thank Mr C F Cheung, our Honorary Auditor, for his professional advice and services.

CHAIRLADY'S MESSAGE

Since the publication of the inaugural edition in March 2004, FP Links serves as the College Newsletter of HKCFP with the following missions:

1. To disseminate the College News to College members.
2. To report news of various Boards and Committees.
3. To provide a channel for dissemination of information or articles related to Family Medicine, either clinical or non-clinical.
4. To act as a bridge for communication between members and the College

The founding Editorial Board started off with three members under Dr John Chung's leadership. Throughout these years, there is significant expansion of our membership list. Our committee now comprises 24 members coming from different sectors: public and private; universities, cross clusters and even cross countries. With the vision to promote Family Medicine and advocate for primary care, we work closely to promote the development of Family Medicine and enhance the communication between the College, members and other professionals. Our contents are strongly diversified, to name a few, photo gallery and highlights of college events, WONCA news, features of primary care initiatives and health resources, medical and health related updates, and sharing on leisure and travel. There is also support from other Boards, e.g. the Board of Education who contribute the learning points discussed in group meetings. Our aim is to produce a newsletter which is both informative and interesting.

CHAIRLADY'S MESSAGE

As the Hong Kong College of Family Physicians is celebrating the 40th Anniversary of its founding, this hallmark conference which was successfully held on Sept 2-3, 2017, was one of the special events commemorating this momentous milestone of our College.

This year's theme "From Seedling to Forest - Ever Enriching Primary Care" highlighted the transformation of our College from its humble beginning as a small association consisting of a group of dedicated general practitioners into an internationally recognized and professionally accredited academic institution. Our College's pioneering efforts in upholding high quality education and training in Family Medicine have sowed the seeds with its recognition as a founding member of HKAM providing training courses, educational programs and assessment tools promulgated not only in Hong Kong but also widely adopted in Macau, China and in the region. This conference was honored to have one of our founding father, Dr Stephen Foo who shared some stories of the College and our President, Dr Angus Chan who enlightened us on the vision of the College. Furthermore, WONCA World President, Professor Amanda Howe and our College Censor as well as President-elect WONCA World, Professor Donald Li were among the dignitaries who addressed the plenary sessions of our conference.

Once again, this conference has proven to be an inspiring platform for bringing together over 500 international experts, family physicians, dentists, nurses and allied health practitioners to promote collaborative and networking opportunities in addressing present and future challenges.

(Front row from left to right):

Dr Kathy TSIM, Dr Judy CHENG, Dr Dana LO, Dr William WONG, Dr Lorna NG, Prof Martin WONG, Dr Catherine CHEN, Dr KWAN YU, Ms Crystal YUNG

(Back row from left to right):

Mr John MA, Dr Eva AU, Dr Lian CHENG, Dr Regina SIT, Dr Vienna LEUNG, Dr CHIANG Lap Kin, Dr Wendy KWAN, Ms Teresa LIU, Ms Alky YU, Ms Carmen TONG, Ms Natalie HO

Administrative Manager: Ms Crystal W Y YUNG

Executives Officer: Ms Teresa D F LIU

Senior Administrative Executive: Ms Alky H K YU

Administrative Executives: *Mr Jeff KS CHENG*
 Ms Charlotte Y C CHEUNG (from 11 April 2016)
 Ms Windy W L LAU
 Ms Priscilla S M LI
 Mr John P C MA (from 01 September 2016)
 Ms Carmen K M TONG

Administrative Assistant: *Ms Cherry T Y CHAN*
 Ms Natalie T Y HO
 Ms Katie P L LAM (from 08 August 2016)
 Ms Wing YEUNG (till 02 July 2016)

From left to right:
Mr Jeff Cheng, Ms Priscilla Li, Ms Charlotte Cheung, Ms Carmen Tong, Ms Crystal Yung, Ms Teresa Liu, Ms Erica So, Dr David Chao, Dr Angus Chan, Dr Lau Ho Lim, Mr John Ma, Ms Natalie Ho, Ms Cherry Chan, Ms Katie Lam and Ms Windy Lau.

During the last year, Administrative Assistant Ms Wing Yeung resigned from the College. We have three new staff members, Ms Charlotte Cheung, Mr John Ma and Ms Katie Lam, joining the Secretariat.

As in previous years, the Committee has reviewed staff performance and proposed an adjustment in salary, taking into consideration factors like the inflation rate, completion of contract, promotion and results of the performance review for the individual staff. The Academy of Medicine's grading system and the latest Government's civil service pay policy were also taken as a reference.

All staff has received a salary increment commensurate with his/her performance. Moreover, Ms Teresa Liu was promoted to Executive Officer, and Ms Priscilla Li and Ms Windy Lau to Administrative Executives. The House Committee Chairman has arranged meetings with individual staff from time to time, in order to know their views and explore any difficulties encountered in their work, so that any support or remedial actions can be provided in time. Informal gatherings, including an annual gratuity lunch, were also organised at least once a year, as part of the measures to fortify a team spirit in the Secretariat.

The Chairman would like to thank the General Manager Ms Erica So for her continued leadership and her team for their unfailing support in the past years.

INTERNAL AFFAIRS COMMITTEE

(July 2016 – June 2017)

Annual Dinner

The Annual Dinner was well attended by 188 participants including our Council Members, College Board/Committee Members, their spouses and guests from different collaborative organisations. It provided a joyful opportunity for us to meet and catch up with colleagues and friends.

The winner of the 40th Anniversary Celebration Logo Competition, Mr SER Shaw Hong from Thailand was also announced during the dinner. The winning logo would become the proud symbol of our 40th Anniversary Celebration, and would be used in various materials and publications related to the celebration activities throughout the HKCFP 40th Anniversary year in 2017.

The Internal Affairs Committee wishes to thank Dr Angus M W CHAN, our President, our Council Members, as well as collaborative organisations, hotels and the Printhouse for supporting and sponsoring the prizes in the Lucky Draw, Dr Maria K W LEUNG and Dr Matthew M H LUK, the Masters of Ceremony of the Annual Dinner, and our secretariat team members who dedicated their great efforts in making the Annual Dinner a successful occasion. We would also like to express our gratitude towards Dr John T N CHUNG and his friends, Mr Barry LAM and Mr Mark LEUNG for their jazz trio performance and also to Dr Raymond W M YEUNG for his saxophone solo on stage. In addition, we would like to thank Dr LO Ling who had again volunteered to be our additional photographer for the occasion.

Photography Club

The setting up of the Photography Club is to foster a platform to gather fellow shutterbugs and to share the joy in photography with college members. Novice and experienced photographers are welcomed to join the Photography Club activities.

A “Visit to F11 Photographic Museum” was successfully held on 18 February 2017 (Saturday). Photography club members and other College members had an opportunity to look at a grand collection of classic and modern Leica cameras.

To celebrate the 40th Anniversary of the College, a photo competition was opened to all with the theme “My Family Doctor” to all Members and Fellows of the College. The winning photos would be used in various materials and applications of the College, and the winner would be announced in the 40th Anniversary Dinner in December 2017.

Conferment Ceremony

To celebrate the 40th Anniversary of our College, which is an important milestone in the development of Family Medicine in Hong Kong, this year, the 30th Fellowship Conferment Ceremony and the 28th Dr Sun Yat Sen Oration would be held on 10 December 2017 (Sunday), on the same day with the 40th Anniversary Dinner at the Run Run Shaw Hall, Hong Kong Academy of Medicine Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

Dr Stephen K S FOO, Censor and Past President of the College, would deliver the 28th Dr Sun Yat Sen Oration.

The Internal Affairs Committee would like to thank Dr Angus M W CHAN, Dr LAU Ho Lim, Dr William C W WONG and Dr Billy C F CHIU for their continuing support and advice during the preparation. We are also most grateful towards the tremendous team of helpers, including Dr Kathy K L TSIM, the Public Orator, Dr KO Wai Kit, the Ceremony Coordinator, Dr Doris N P CHAN, Dr FOK Peter Anthony, Dr KWAN Yu and Dr Andrew T F LEUNG, the Marshalling Officers, and Dr CHAN Man Li, Dr CHUNG Kin Wing, Dr Kinson K S LAU and Dr Jenny H L WANG, the Ushers. Last but not least, we would like to express our gratitude towards our College Secretariat for their dedication and enthusiasm towards the College events.

The current membership of HKCFP is as follows: - (as in end June 2017)

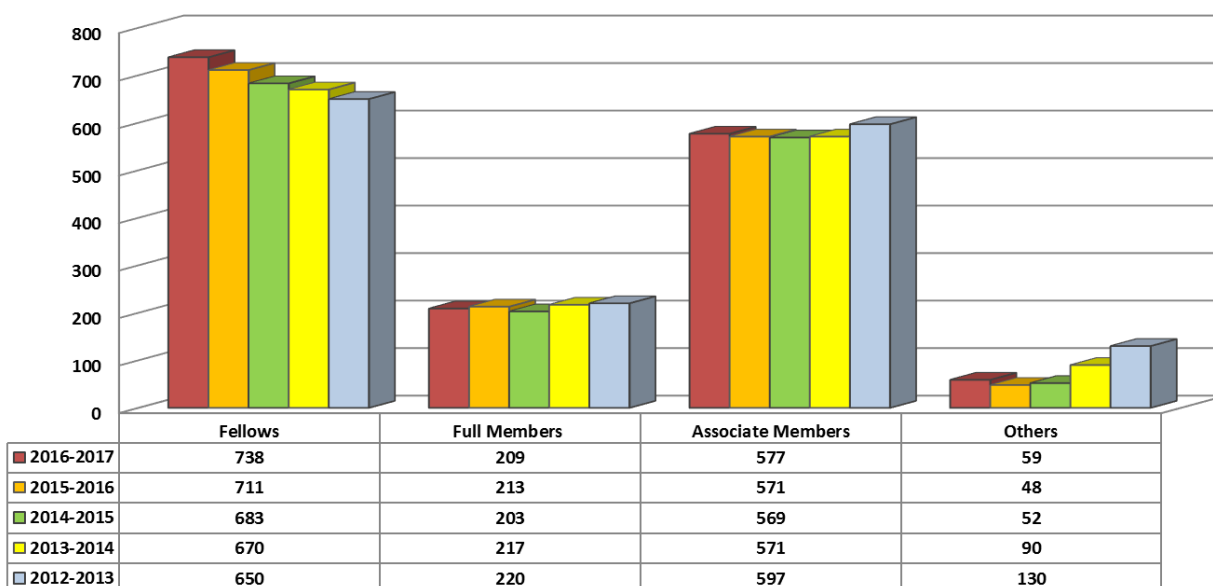

Fellows*	738	(HKAM Fellows: 458)
Full Members	209	
Associate Members	577	
<u>Others **</u>	<u>59</u>	
Total:	1,583	

* Fellows include Fellows, Foundation Fellows, Hon Fellows and Non-HKSAR Fellows.

** Others include Affiliate Members, Non-HKSAR Members and Student Members.

More of our members become fellows and the body of Membership remains steady in the past year. With our College's team of dedicated members who are practicing quality medicine, the term "Family Medicine" is increasingly recognized by the general public as synonymous to quality primary care. We expect to see a constant growth in membership with increase in proportion of fellowship.

This year, the Public Education Committee continued to carry out public education activities through different channels. The Media Column Subgroup continued to publish articles regularly in the Hong Kong Economic Journal (信報). The published articles are amounted to 575 for the Hong Kong Economic Journal.

With the continuing collaboration between College, Primary Care Office (PCO) of Department of Health, and Radio Television Hong Kong, the new series of 10 episodes of TV programme 《升級家庭醫生》 “My Family Doctor 2017” had been produced. The 1 hour programme contained the previous TV drama 'My Family Doctor' and 'My Family Doctor II', and our College representatives, with other invited healthcare professionals, and Artist Mr Wong He (王喜), had discussion forums on various healthcare topics related to the episode. Other useful healthcare messages were also lively demonstrated, and let the audiences know more about management and prevention of these common problems. The programme was broadcasted from March to May 2017, with the last episode as the special event to celebrate World Family Doctor Day!

To promote WFDD, the video clip with Artist Mr Wong He, together with Our Censor and Past President, Dr Stephen Foo, was produced to tell the public about World Family Doctor Day on 19 May, and the role of family doctor for the community and family. Please find the link below to watch: <https://youtu.be/4gHBapTcREQ>.

A series of four public health talks, with the theme 「更致全康四十載 春夏秋冬健康來」, to celebrate the 40th Anniversary of College, was successfully held on 25 March (Spring), 13 May (Summer), and 23 September (Autumn) 2017, and the last season (Winter) will be held on 18 November 2017.

Various public education activities and events in 2016 to 2017 were listed at the end of the report. I would like to thank all the colleagues who had offered their valuable assistance in the past year and our excellent administrative support from the secretaries.

Public Education Activities:

Date	Event	Chairpersons
16 October 2016	The Cable TV Programme 「至 Fit 男女」 to talk about the Hand Foot and Mouth Disease	Dr NGAN Po Lun

The QA&A program aims to promote participation in Continuing Medical Education (CME) and Continuing Professional Development (CPD) activities for General Practitioner (GP) and Family Physician (FP). With end in mind to promote best practices, educational activities proposed to our College are assessed by the QA&A committee to identify relevant and high quality ones for members' attendance. Participation in these learning activities towards best practices are acknowledges by CME/CPD points, with issuing of CME certificate to those fulfilling the College's requirement as a token recognition and encouragement.

In order to further enhance an effective and efficient QA&A program for GP/FP, the QA&A committee has conducted a review on prevailing operation since 2Q2016. In particular, Active Learning Mode (ALM) has been endorsed for further development by the College Council. In this regard, active participation in prescribed learning of a prior-accredited activity may earn both CME and CPD points upon successful submission of both pre- and post- MCQs. Through innovative learning mode as such, learning may be facilitated efficiently and effectively in this era of rapid knowledge and technology expansion.

Kindly note that the electronic copy of QA Certificate 2014-16 and CME certificate for 2016 will be available on the College's homepage <http://www.hkcfp.org.hk>, members can login to their own account to download the certificates anytime. Request for hardcopy certificate can be made in writing to the college secretariat, an administrative fee of \$50 per copy will be charged starting from July 2016. Please find list of active fellows/members who have fulfilled the College's requirement for awarding the QA Certificate 2014-16 and CME certificate for 2016 as below.

Seven submissions had been received for the Best Research Award 2016 and the selection panel consisted of one internal and one external assessors. The winning paper was “How do primary care doctors diagnose depression? A decision tree analysis of the pathways leading to the diagnosis of depression” by Dr CHIN Weng Yee.

The 2017 HKCFP Research Fellowship had received five applications this year. The selection panel which consisted of one internal and one external assessors had selected the winner to be Dr WONG Sze Kei. His research project was “Effect of de-prescription on the functional capacity of elderly patients with polypharmacy: a cohort study from the primary care setting”.

The Committee has established two new funding awards over the last four years: Trainees Research Fund, to encourage trainees to attempt research segment of the Exit Examination, and Research Seed Fund, to provide the opportunity for other interested parties to develop fitting proposals and ideas. Successful applicants from the awards can fully implement and test their research strategies in the public, which ultimately contribute to the primary care sector.

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future..

In the year 2016-17, we continue to serve our College members.

To ensure a smooth operational function and improve communication, computer software and hardwares are updated and renewed as necessary. The new options of new registration system for educational activities, members MCQs and Clinical Quizzes function, have been out into trial with satisfactory response. The continuous uploading of the past archives of Hong Kong Practitioners and Public Education Publications. Member directory for public access is served with a basic file with technical research into an elaborated format. The Web committee also look after the College Facebook, where rapid and timely information of public interest are uploaded. We welcome suggestions from interested members to join us. The daily web and computer operation is being monitored by our dedicated secretarial staffs, we are thankful for their work.

I would like to thank the members of the Web Committee for the support and valuable advice in the past year. We look forward to another year of service.

HONORARY TREASURER

(April 2016 to March 2017)

Honorary Treasurer: Dr Billy C F CHIU

Staff: Ms Priscilla S M LI (Administrative Executive)

The financial situation of our College remains stable for the year 2016-2017. With a current reserve valued in excess of HK\$14.9 million, thanks to the conservative investment strategy of the Finance Committee. The great majority of our funds are in the form of cash savings in the Bank of East Asia, HSBC and Wing Hang Bank.

Our College is operated under four companies, as detailed in the Auditor's report.

In this financial year, our main income sources were from, in descending order, the Membership Committee, Board of Diploma in Family Medicine (DFM), Board of Conjoint Examination, Board of Vocational Training and Standards and Specialty Board. When compared with 2015-2016, the Membership Committee, membership subscriptions obtained an income of HK\$1.4 million (5% increase). The Board of DFM obtained a surplus of HK\$900K (180% increase). The Board of Conjoint Examination obtained a surplus of HK\$868K (4% increase). The Board of Vocational Training and Standards obtained a surplus of HK\$526K (0.4% increase). The Specialty Board obtained a surplus of HK\$411K (27.8% increase). All these Boards were have increment in last year. Especially the Board of DFM had significant increase because of the number of candidates increased and also have the CFM course at Shunde with the sponsorship from Shunde District Min Yuen Tong and the support from Shunde Health Department this year.

On the side of expenditure, our single most significant spending is still in staff salaries and allowances, which amounted to HK\$3.37 million.

On behalf of the board

Chairman

HONG KONG, 26 October 2017

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS
(Incorporated in Hong Kong with limited liability)**

Opinion

I have audited the financial statements of Hong Kong College of Family Physicians ("the Company") set out on pages 5 to 13, which comprise the statement of financial position as at 31 March 2017, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2017, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The Council of the Company is responsible for the other information. The other information comprises all information included in the Council's report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Council and Those Charged with Governance for the Financial Statements

The Council is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the Council determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Council is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process..

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSA, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my

opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Council.

- Conclude on the appropriateness of the Council's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

NOTES TO THE FINANCIAL STATEMENTS

1 LEGAL STATUS

The College is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member, or within one year after he ceased to be a member for payment of the debts and liabilities of the College contracted before he ceases to be a member, and costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2 GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company are provision of continuing medical education in relation to family medicine.

3 SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment, except investment properties, are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of comprehensive income is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line method at the following rate to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment	15% p.a.
-----------------------------------	----------

(b) At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related party

For the purpose of these financial statements, related party includes a person and entity as defined below:

(1) A person or a close member of that person's family is related to the Group and the Company if that person:

- (i) is a member of the key management personnel of the Group and the Company or of a parent of the Group and the Company;
 - (ii) has control over the Group and the Company; or
 - (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.
- (2) An entity is related to the Group and the Company if any of the following conditions applies:
- (i) the entity and the Group and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
 - (iii) both entities are joint ventures of a third entity.
 - (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Group and the Company or an entity related to the Group and the Company. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
 - (vi) the entity is controlled or jointly controlled by a person identified in (1).
 - (vii) a person identified in (1)(i) has significant voting power in the entity.

(d) Revenue recognition

Entrance fee from members are recognised in the financial year of receipt.

Annual subscriptions fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Foreign currencies

Transaction in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

(f) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to item charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

4 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements because there is no estimated assessable profits for the year. (2016:Nil)

		2016
	HK\$	HK\$
The taxation charge is made up as follows:

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other Council members and officials of the College, the following representations given to you in connection with your audit of the College's financial statements for the year ended 31 March 2017.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the College and of the results and cash flows of the College for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Council members received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

On behalf of the Board

Chairman
Hong Kong, 2 November 2017

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP EDUCATION LIMITED
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

Qualified Opinion

I have audited the financial statements of HKCFP Education Limited ("the Company") set out on pages 5 to 12, which comprise the statement of financial position as at 31 March 2017, and the statement of comprehensive income and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2017, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards for Private Entities ("HKFRS for PE") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Qualified Opinion

As explained in note 6 to the financial statements, the company has not prepared consolidated statements of the Group because the directors consider that it would involve expenses and delay out of proportion to the value to the members. Under Hong Kong Financial Reporting Standards, group accounts should have been prepared. It is not practicable to quantify the effects of the departure from this requirement.

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The directors of the Company are responsible for the other information. The other information comprises all information included in the directors' report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Directors and Those Charged with Governance for the Financial Statements

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRS for PE issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10..

2. GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company is to act as an Educational Organization in respect of the development of Family Medicine.

3. BASIS OF PREPARATION AND ACCOUNTING POLICIES

(a) Subsidiaries

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half of the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related party

For the purpose of these financial statements, related party includes a person and entity as defined below:

- (1) A person or a close member of that person's family is related to the Group and the Company if that person:
 - (ii) is a member of the key management personnel of the Group and the Company or of a parent of the Group and the Company;
 - (ii) has control over the Group and the Company; or
 - (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.
- (2) An entity is related to the Group and the Company if any of the following conditions applies:
 - (iii) the entity and the Group and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (iv) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
 - (iii) both entities are joint ventures of a third entity.

- (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (viii) the entity is a post-employment benefit plan for the benefit of employees of either the Group and the Company or an entity related to the Group and the Company. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
 - (vi) the entity is controlled or jointly controlled by a person identified in (1).
 - (vii) a person identified in (1)(i) has significant voting power in the entity.
- (d) **Revenue recognition**
Revenue arising from activities is recognised when the activities are completed.
- Management fee received is recognised when management services are rendered.
- Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.
- (e) **Taxation**
Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of comprehensive income items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of any deferred tax asset is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

4 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2016:Nil).

The company had no significant unprovided deferred taxation at 31 March 2017 and 2016 and for the years then ended.

At 31 March 2017, the company has unused tax losses of HK\$12,362,706 (2016:HK\$10,918,862) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

5 DIRECTORS' REMUNERATION

None of the directors received any remuneration for their services rendered to the company during the year. (2016:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2017.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2012, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

For and on behalf
of the Board of Directors

Chairman

Hong Kong, 26 October 2017

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP FOUNDATION FUND
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

Opinion

I have audited the financial statements of HKCFP Foundation Fund ("the Foundation") set out on pages 5 to 11, which comprise the statement of financial position as at 31 March 2017, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Foundation as at 31 March 2017, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Foundation in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The Executive Board of the Foundation is responsible for the other information. The other information comprises all information included in the Executive Board's report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Executive Board and Those Charged with Governance for the Financial Statements

The Executive Board is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the Executive Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Board is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Board either intend to liquidate the Foundation or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSA's, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Board.
- Conclude on the appropriateness of the Executive Board's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

HKCFP FOUNDATION FUND
(Limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The Foundation is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member or within one year after he ceased to be a member for payment of the debts and liabilities of the Foundation contracted before he ceases to be a member, and costs, charges and expenses of winding up and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$50.

2. GENERAL INFORMATION

The Foundation is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the Foundation is to promote, encourage and assist, for the public benefit, research and education on family medicine.

3. SIGNIFICANT ACCOUNTING POLICIES

(a) Available-for-sale investments

Available-for-sale investments are non-derivative financial assets in listed equity securities that are designated as available for sale. After initial recognition, available-for-sale investments are measured at fair value, with gains or losses recognized as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in the statement of comprehensive income.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related parties

For the purpose of these financial statements, related party includes a person and entity as defined below:

- (1) A person or a close member of that person's family is related to the Foundation if that person:
 - (iii) is a member of the key management personnel of the Foundation or of a parent of the Foundation;
 - (ii) has control over the Foundation; or
 - (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.
- (2) An entity is related to the Foundation if any of the following conditions applies:
 - (v) the entity and the Foundation are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (vi) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
 - (iii) both entities are joint ventures of a third entity.
 - (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (ix) the entity is a post-employment benefit plan for the benefit of employees of either the Foundation or an entity related to the Foundation. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.

- (vi) the entity is controlled or jointly controlled by a person identified in (1).
- (vii) a person identified in (1)(i) has significant voting power in the entity.

- (d) Revenue recognition
Donation received is recognised on receipt basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

- (e) Foreign currencies
Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

4. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as the Foundation is exempt from tax under Section 88 of the Inland Revenue Ordinance.

5. EXECUTIVE BOARD MEMBERS' REMUNERATION

None of the Executive Board members received any remuneration for their services rendered to the Foundation during the year. (2016:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other board members and officials of the Foundation, the following representations given to you in connection with your audit of the Foundation's financial statements for the year ended 31 March 2017.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Foundation and of the results and cash flows of the Foundation for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Executive Board members received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.
9. We confirm that the market value of the investment securities held by the company as at the statement of financial position date amounted to HK\$3,422,010

On behalf of the Board

Chairman

HONG KONG, 2 November 2017

INDEPENDENT AUDITOR'S REPORT
TO THE SHAREHOLDERS OF HKCFP HOLDINGS AND DEVELOPMENT LIMITED
(Incorporated in Hong Kong with limited liability)

Opinion

I have audited the financial statements of HKCFP Holdings and Development Limited ("the Company") set out on pages 5 to 12, which comprise the statement of financial position as at 31 March 2017, and the statement of income and retained earnings and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2017, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards for Private Entities ("HKFRS for PE") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The directors of the Company are responsible for the other information. The other information comprises all information included in the directors' report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Directors and Those Charged with Governance for the Financial Statements

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRS for PE issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic

decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

HKCFP HOLDINGS AND DEVELOPMENT LIMITED

NOTES TO THE FINANCIAL STATEMENTS

1. GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activity of the Company is to act as an Educational Organization in respect of the development of Family Medicine.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the Hong Kong Financial Reporting Standard for Private Entities (HKFRS for Private Entities) issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention.

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of income and retained earnings in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of income and retained earnings is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives:

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Turnover

Turnover represents course fees received.

(d) Revenue recognition

Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of income and retained earnings because it excludes items of income and expense that are taxable or deductible in other years, and it further excludes statement of income and retained earnings items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the statement of financial position liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the year when the liability is settled or the asset realised. Deferred tax is charged or credited in the statement of income and retained earnings, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

(f) Going concern

The financial statements have been prepared under the going concern concept because the shareholders agree to provide adequate funds for the company to meet its liabilities as they fall due..

3. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements in view of the excess of the allowable losses brought forward over the estimated assessable profits for the year. (2016:Nil)

The taxation charges is made up as follows:

	2016	
	HK\$	HK\$
Deferred tax		
Current year	7,812	6,200
	=====	=====

The taxation on the company's loss before taxation differs from the theoretical amount that would arise using the taxation rate in Hong Kong for the company as follows:

Loss before taxation	(46,225)	(726,193)
	=====	=====
Tax at the income tax rate of 16.5% (2016:16.5%)	(7,627)	(119,822)
Tax effect of non-deductible expenses	25,134	30,027
Tax effect of non-chargeable income	(7,813)	(6,199)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2017.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.
