PRESIDENT'S MESSAGE (DR DAVID V K CHAO)

(July 2018 to June 2019)

The Hong Kong College of Family Physicians (HKCFP) has had a fruitful year. I am truly delighted to see that our beloved College has been gaining recognition in promoting and providing Family Medicine training locally and internationally. As different countries around the world become more and more aware of the benefits that primary healthcare services can bring to the whole healthcare system, the governments are more willing to invest in enhancing the training and the services related to general practice and family medicine. This has also created more incentives and opportunities for general practitioners and family physicians around the world to gather in international conferences to share our experiences, challenges and the potential solutions. Through sharing and reflecting on our experiences and practices, we are refreshed and inspired, as well as encouraged and motivated to tackle the future challenges ahead.

In October 2018, Dr Angus Chan, our Immediate Past President, and I flew to the southern hemisphere to participate in GP18 - the Annual Conference of the Royal Australian College of General Practitioners (RACGP) at Gold Coast, Australia. A Memorandum of Understanding (MOU) aiming at further enhancing standards in education and training in General Practice for both Colleges has been signed on that occasion. The MOU helped to strengthen the mutual support and continuing relationship between the RACGP and the HKCFP.

A week after GP18, a team of over 70 Hong Kong delegates, including myself, met at Seoul, Korea for the WONCA World Conference 2018. The theme of the conference was "Primary Care in the Future: Professional Excellence". One of the highlights of the Conference was the inauguration of Dr Donald Li as the new WONCA President. Bravo, Dr Li! Dr Donald Li, one of our College's past Presidents, is the second Hong Kong family doctor to lead WONCA, after Dr Peter Lee, our College's Founding President, who led WONCA between 1992 – 1995.

At the beginning of 2019, another highly remarkable MOU was signed between World Health Organisation (WHO) and WONCA. It was to recognise the key role played by family doctors in achieving universal health coverage by providing comprehensive, patient-centred and professional care.

The importance of primary healthcare within a healthcare system, especially the potential benefits to ease the financial burden and to alleviate the heavy workload of secondary care, has been reaffirmed around the world, and Hong Kong is no exception. Enhancement of primary care services was one of the major initiatives in the Hong Kong government's health care document, "Towards 2025: Strategy and Action Plan to Prevent and Control Non-Communicable Diseases in Hong Kong" published in 2018. The Hong Kong government has planned to set up District Health Centres (DHCs) progressively in 18 districts in Hong Kong. She has put her plan into action by setting up the first DHC at Kwai Tsing this year. Aiming at raising public awareness on personal health management, enhancing disease prevention and strengthening multi-disciplinary healthcare services in the community, a new operation model focusing on community participation would be adopted at DHCs.

I attended and spoke in the Media Spring Luncheon hosted by Hong Kong Academy of Medicine (HKAM) in February 2019, entitled "Promoting Primary Healthcare Development to Enhance the Overall Health Service Standard". Strengthening primary healthcare services was one of the main directions for HKAM's annual plan. Our College was invited to take the coordinating role to collaborate with other relevant HKAM Colleges in providing training to cope with the development of primary care services in Hong Kong, as well as the training needs derived from the setting up of DHC.

In response to the Fiscal Budget 2019 - 2020 delivered in February 2019, I wrote to the Government reiterating that training enough quality Family Physicians is the key to enhance the cost effective utilisation of medical resources in Hong Kong. And in order to achieve the World Health Organisation (WHO) goal of "health for all", it was also strongly advocated that for every Hong Kong citizen, there should be one regular Family Physician who is familiar with one's health conditions and the Family Physician would be in the best position to provide continuity of care for the patients, avoiding the risks such as those related to repeated investigations, and potential drug-drug interactions due to polypharmacy. Our College has been providing a variety of Continuing Medical Education and Continuing Professional Development programmes to practising doctors in Hong Kong for many years, e.g. Diploma in Family Medicine (DFM), Annual Refresher

Course, symposia and workshops.

Family doctor's "gatekeeping" role also earned increasing recognition in Mainland China. In March 2019, I attended the 6th Cross-Strait Congress of General Practitioners, in Zhengzhou, China. The theme this year was, "Seize the opportunity to deepen the integration and development of general practice". Medical leaders from the Mainland, Taiwan, Macau, Australia, the United Kingdom, the United State of America, Hong Kong and many other countries shared their experiences and expertise. Dr Donald Li, Dr Lau Ho Lim and I presented the HKCFP Donald Li Scholarship 2019 to 3 outstanding primary care doctors from the Mainland China during the Congress. Just like the previous Scholarship recipients, the 3 recipient doctors would be arranged to have further family medicine exposure in Hong Kong.

The 4th Annual General Practice Training Forum of the Chinese Medical Doctor Association (CMDA) cum the 16th Annual Conference of General Practice and community Health was held at Beijing, China in April 2019. Some familiar faces were met in the Conference, namely the Honorary Director-General of WHO, Dr Margaret Chan Fung Fu-chun, and the President of WONCA, Dr Donald Li. They delivered inspiring speeches to the participants. The fundamental and pivotal role of primary care in public healthcare system in all countries was reinforced. The importance of Continuing Professional Development (CPD) to both trainers and trainees in order to improve the quality of primary healthcare services were reiterated.

In addition to the "gatekeeping" role, the crucial role of family doctors in providing lifelong care to patients throughout the various stages in life was highlighted in the World Family Doctor Day (WFDD), which has been marked to be celebrated on 19 May each year by WONCA since 2010. We had our World Family Doctor Day Symposium in May 2019 to celebrate the Day. To echo with the theme of the WFDD, "Family Doctor – caring for you for the whole of your life" was also the theme of our Symposium. The Keynote address of the Symposium, "Challenges to family doctors in providing life-long care", was delivered by Dr Donald Li. Dr Li not only shared the challenges that family doctors faced, but also reiterated the central role of family doctors in looking after patients in the community in his speech.

WONCA Asia Pacific Region Conference 2019 took place in mid-May 2019 at Kyoto, Japan. It was hosted by the Japan Primary Care Association with the them, "Medical generalist: bring forward a brighter future". Many colleagues from Hong Kong participated in the conference with presentations on a wide range of clinical topics relevant to primary care and family medicine practice and research.

Our 32nd Conjoint Fellowship Conferment and Diploma Presentation Ceremony 2019 and the 30th Dr Sun Yat Sen Oration were successfully held in early June 2019. One of our long-term friends from the RACGP, Dr Chris Hughes, the RACGP Censor of Tasmania, joined the ceremony to confer the Conjoint Fellowship to successful candidates. We were most privileged to have two distinguished new Honorary Fellows this year, Prof Gabriel Leung from Hong Kong and Prof Amanda Howe from the United Kingdom. Prof Howe was also the Orator of the 30th Dr Sun Yat Sen Oration, titled "Identity, Humanity and Equity – Three Principles for Modern Times".

With the wholehearted dedication and active participation from our Censors, Executives, Council members, College members and our secretariat, the Collegial events have been run very smoothly over the last twelve months. I would like to take this opportunity to express my heartfelt gratitude to all of you!

Dr David V K CHAO
President

HONORARY SECRETARY'S MESSAGE (DR WILLIAM C W WONG)

(July 2018 to June 2019)

The Council have put in tremendous efforts at all fronts for the advocacy and standard setting for our discipline in the last year. I must say it was again a busy year for the College Council and the Secretariat.

In December 2018, the College has elected the new President, Dr David Chao. We thank the immediately Past President, Dr Angus Chan for his leadership and guidance in the past four years. I have every confidence in Dr Chao to lead the College into a challenging era with the set-up of District Health Centres (DHC) and the conjoint examination with RACGP.

The College is working with the Primary Care Office (PCO) to assist to the CME/CPD checking for all existing enrolled practicing doctors in the Primary Care Directory. For those not fulfilling the requirement they would be inactivated from the Directory. Practicing doctors who fall into the inactivation list will not be able to participate in the Vaccination Subsidy Scheme from 2019 onwards.

Primary care is the first level of care at community level to provide continuing care to individuals and families. Further to the Policy Address 2017, a steering committee on primary healthcare development was formed and the first DHC was planned to be set up in Kwai Tsing District. Dr Angus Chan and Dr Lau Ho Lim represented the College to attend the DHC consultation sessions and actively responded to the discussion of the model setting. It was noted that DHC would become a district primary healthcare hub and be supplemented by sub-district satellite centres and a network of multi-disciplinary teams providing multiple access and service points. There would be no doctors in the DHC Hub or satellite centres. All Primary Care Directory listed doctors working in the district will automatically be included in the network of doctors unless one actively opts out.

Given the Government has completed the tender to provide services for the Kwai Tsing DHC, the College deems that family doctors should play an important coordination role in DHC. With reference to the imminent 2018 Policy Address, HKCFP had held a press conference in September to urge the Government to increase resources in family doctors training and recommends optimal utilisation of DHC, achieving the goal of “One Family Doctor for Each Citizen” to improve our primary healthcare system.

Apart from setting high standards in the training of family doctors, HKCFP has nurtured world leaders at international family doctors' organisations. Dr Donald Li, Past President and incumbent Censor of HKCFP, assumed his new role as the President of the World Organisation of Family Doctors (WONCA) in the WONCA World Conference in Seoul, Korea in October 2019. Dr Donald Li is the second family doctor from Hong Kong to lead WONCA, the first being the late Dr Peter Lee who was WONCA President from 1992-1995. The fact that HKCFP in her 41-year history has produced two WONCA Presidents attests international appreciation of the standard of Family Medicine locally.

There will be more and more important work awaiting ahead of us. I would take the opportunity to thank all the contributions from our dedicated fellows, broads and committee members. I would also like to express my sincere gratitude to the Secretariat and Ms Erica So, our General Manager, for their hard work to make all these events run smoothly throughout the year.

The Examination

The format of the 32nd Conjoint Examination 2018 was the same as in previous years, consisting of both Written and Clinical Examinations.

Preparatory works for both segments started early from the beginning of the year. Thanks to the tremendous contributions of our Board members, our case writers and all our examiners.

Workshops for Examiners

- 1st Examiner Training Workshop for OSCE 15 July 2018 (Sunday)
- 2nd Examiner Training Workshop for OSCE 19 August 2018 (Sunday)
- Workshop on Standard Setting for KFP exam paper 21 August 2018 (Tuesday)
- Workshops on Standard Setting for AKT exam paper 12 & 13 August 2018 (Sunday, Monday)
- KFP Marking Sessions 31 August & 1, 2 September 2018 (Friday, Saturday & Sunday)
- Case-writing Meeting for AKT 21 January 2018 (Sunday)
- Case-writing Group Meetings for OSCE March, June - August 2018
- 3rd Examiner Training Workshop and On-site Examiners' Rehearsal for OSCE 7 October 2018 (Sunday)

Information Seminar and Rehearsal for Candidates

An information seminar for candidates sitting the clinical segment was organized on 10 June 2018. 21 candidates attended. The purpose of the seminar was to provide first-hand information to the candidates on the various aspects of the examination (including the logistics, expectations, marking and standard setting methods, and so on), in order to help them become better prepared for the examination and to minimize their anxiety and misunderstandings. Interactive sessions with video-taped scenarios were also conducted.

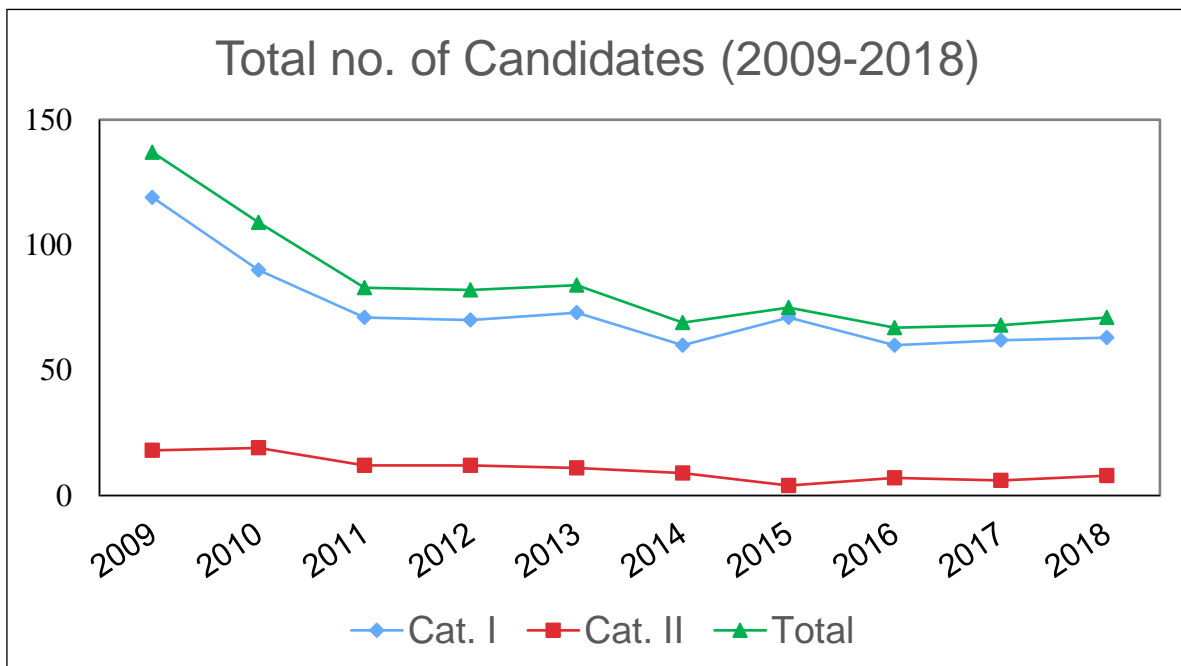

Same as last year, candidates this year were invited to the rehearsal for OSCE on 7 October 2018 in participating as 'real candidates' in the prepared clinical scenario. The purpose was to allow the candidates to have an actual on-site experience of the OSCE. 29 candidates attended.

Number of candidates

There were altogether a total of 71 candidates sitting for this year's examination, with 63 candidates of Category I and 8 Category II respectively.

44 candidates sat for the Written Segments (39 Cat I and 5 Cat II candidates), while 34 candidates sat for the Clinical Examination (27 Cat I and 7 Cat II candidates).

External Examiners from RACGP

Dr Kaye ATKINSON (RACGP Censor in Chief) and Dr Hung The NGUYEN (RACGP Censor, National Faculty of Aboriginal and Torres Strait Islander Health) were the visiting External Examiners from RACGP this year for the OSCE Examination on 28 October 2018.

Security

Strong emphasis was put on the security measures as in previous years. All preparatory procedures were carried out according to our security protocols, including:

1. Strict adherence to the Working Protocol by staff handling all the Examination Materials.
2. Use of designated Case-Writing Subcommittee, consisting of Examiners, led by our Chief Examiner, to be responsible for the preparation of all the OSCE cases.
3. A centralized process for development of examination cases and marking schemes, with examination materials exposed to a minimal number of persons.
4. Strict adherence to the security protocol for the OSCE exam by all examiners (including strict prohibition of electronic transference of exam materials).
5. Sharing cases with RACGP to widen our exam case bank.
6. Transmission of confidential exam materials through the secured sharing platform as suggested by RACGP.
7. Presentation of OSCE exam materials to examiners only on the day of exam.
8. Continual appeal to the professional integrity of all involved in running the exam.
9. Proper “quarantine” of candidates of the morning and afternoon sessions respectively on the day of OSCE exam.
10. Forbiddance of use of any electronic devices by candidates inside exam venue.
11. Prompt data entry of candidates' scores on the same day of exam.

All these measures, among many others, were well adhered to throughout the whole examination period.

Quality Assurance

Quality assurance of our examination was maintained by the large number of experienced local examiners in our panel. Pairing up experienced examiners with less experienced examiners also helped to improve its validity. Our QA Examiners and External Examiners continued to assess and monitor the standards of our local examiners as well as the role players.

To facilitate better understanding for our External Examiners in our Cantonese speaking stations during the OSCE examination, instant translation (in writing) had been arranged.

Comments on individual examiner by various QA Examiners had been grouped and sent to each examiner for reference.

Examination Prize: "Dr Peter C Y Lee Best Candidate Award 2018"

It was the fourteenth year that the College offered this prize. From the year 2013, this award was renamed "Dr Peter C Y Lee Best Candidate Award" for commemorating Dr Peter Lee's contribution to the discipline of family medicine. The "Dr Peter C Y Lee Best Candidate Award 2018" was presented to Dr TSANG Pui Lim, who had passed the Conjoint Examination at one sitting and achieved the best performance in the Examination.

Acknowledgement

The Board of Conjoint Examination would like to thank our Chief Examiner and segment Coordinators for contributing so much of their time and effort throughout the entire examination, all the Board members for their active participation, the External Examiners from RACGP for their continual advice and support, all our QA Examiners, Case-writing and Marking Examiners, Trainee Examiners, and Role Players for their time and contributions before and during the examination, and all our College secretarial staff and helpers for their excellent administrative and supportive works.

CHAIRMAN'S MESSAGE

The DFM course entered her sixteenth year. This was a successful year as twenty six candidates graduated in the DFM course in 2019. The Board praised the candidates for their hard work and commitment in learning new knowledge and skill in Family Medicine and congratulated them on their wonderful accomplishment.

CFM Course Shunde 2018

This year has been another memorable year to the DFM board. Our Board has successfully completed the forth Shunde CFM course with the tremendous support of the Shunde Health Department and generous sponsorship from Shunde District Min Yuen Tong (順德綿遠堂). The Board has modified and translated the CFM materials to cater the cultural needs of our Shunde colleagues. Our Board members have found this new Shunde teaching experience rewarding and meaningful. We highly enjoyed the local Shunde food and the hospitality of our friendly Shunde Health official and colleagues. The Shunde Health officials and our Board both wish to continue the Shunde CFM course in the coming year to benefit more Shunde doctors.

Eighteen candidates fulfilled the requirement of the course and were awarded the certificate.

On behalf of the Board, I would like to take this opportunity to thank Professor Cindy Lam, Professor Donald Li, Dr Stephen Foo and our President, Dr David Chao for their continuous support and guidance. Lastly, I like to express my deepest appreciation to Dr Chan Chi Wai

for leading his team in organizing a very successful examination, Dr Chan Man Li for his dedication in clinical examination, Dr Bobo Tsui for her dedication in written examination and all the hardworking Board members, teachers and examiners for their unfailing support and selfless contribution. I also wished to thank our secretarial staff Ms Alky Yu for her diligent work.

CHAIRMAN'S MESSAGE

During the year 2018-2019, the Board continued to organize a series of different educational activities for our members and doctors in Hong Kong. These abundant activities are outlined below.

Video-Library and Video-Viewing Session

For the year 2018 we arranged 11 video sessions in our Wanchai College premises on a monthly basis. Video Library has been set up since July 2005. Video viewing session is scheduled on the last Friday of every month, at 2:30pm – 3:30pm, at the 8/F, Duke of Windsor Social Service Building, Wanchai. The topics are selected from the lectures in our Luncheon CME activities, various Interest Groups and Annual Refresher Course. These viewing sessions are open only to our members. 1 CME point per session is accredited to colleagues who attend the viewing session. A maximum of 2 CPD points may be accredited (subject to submission of satisfactory report of Professional Development Log). It is encouraging that the number of attendance is increasing. The topics presented were as follows:

- The Interactive Roles of Primary Care Professionals and Pain Specialist
- VTE and NOAC Bleeding Management
- Elderly Care
- Holistic Diabetes Management – Is it all about Glycaemic Control Only?
- Protecting multi-morbid AF patients against stroke in the ageing population: What is the evidence-based approach?"
- Common Facial Skin Diseases: Acne, Rosacea
- Management of Urticaria – An Update
- Update on GERD Management guidelines : From World Gastroenterology Organisation (WGO) guidelines to Asia Pacific consensus
- Update on the Management of Diabetes
- Peripheral Neuropathy
- Aging and Malnutrition
- Nutrition & Cognition (Can Nutritional Interventions Delay or Prevent Alzheimer's?)

The Board would like to take the opportunity to thank Dr MO Kam Chuen and Dr CHEUNG Ying Man in running the monthly video session very smoothly and especially Dr Cheung's effort in producing the high quality video. With Dr Cheung's works, the participants will feel like attending the luncheon meeting live while watching the video.

If you have interest to view these videos, you can contact our secretaries and they are happy to make arrangement for you.

Small Discussion Group

There was 60 active Small Discussion Groups in 2018. Participants will gain 1 CME point per session. In addition, speaker or moderator will be accredited 1 CPD point.

The Board would like to take the opportunity to thank Dr TONG Siu Man and other Board members in reviewing all the synopses and protocol, making sure the standard is reached.

Cardiopulmonary Resuscitation (CPR) Training: Advanced Primary Care Life Support

The Advanced Primary Care Life Support (APCLS) organized by the CPR Subcommittee was launched in 2017 in order to align with our Sister College (RACGP) requirement of Advanced Life Support components, namely the airway management, neck support and automated external defibrillation (AED) on top of basic life support. This year, we had 51 members who passed the APCLS Examination

and were awarded the Certificate of Competency in Advanced Primary Care Life Support, which is also endorsed by the Resuscitation Council of Hong Kong.

The Board would like to express our deepest appreciation to our external examiners from RCHK, namely Dr LEUNG Chin San in the instructor and examination workshops. Furthermore, sincere thanks must be given to Dr David S L CHAN, Dr AU-YEUNG Shiu Hing, Dr KONG Che Wan, Dr Mary B L KWONG and Dr WONG Pak Hoi in coordinating the training manuals, various workshops; and all instructors and trainee instructors as listed below for their time and effort in helping out the CPR training and examination for our members.

Instructors: Dr AU-YEUNG Shiu Hing, Dr Patrick H W CHAN, Dr CHEUNG Ying Man, Dr Clarence C M CHOI, Dr John T N CHUNG, Dr HUI Lai Chi, Dr KO Siu Hin, Dr KONG Che Wan, Dr KWONG Hon Kei, Dr Michael C H KWOK, Dr LAU Pui Ling, Dr Daniel C Y LEUNG, Dr Selina S W LEUNG, Dr Danny P K MA, Dr MO Kam Chuen, Dr SUNG Tai Wai, Dr TAM Wah Kit, Dr Keith TSE, Dr WONG Ka Wah, Dr Amy O Y WONG, Dr WONG Pak Hoi and Dr WONG Wai Man.

Trainee Instructor: Dr Luke C Y TSANG

For trainee instructor(s) who have fulfilled the requirement would be promoted instructor in the following year.

Clinical Attachment

Being the Chairman, I am glad that we have the ENT clinical attachment this year with the support from Department of Otorhinolaryngology, Head and Neck Surgery, CUHK. The Board would like to express our sincere thanks to Prof Michael TONG, Prof C A van HASSELT, Dr John WOO and the staff of their department for organizing the ENT clinical attachments in the Prince of Wales Hospital.

The clinical attachments are aimed at in-depth and structural teaching of our members in these specialties.

Assessment Enhancement Course

Assessment Enhancement Course remained the most welcome course in her 19th year of establishment. I would like to thank all the tutors in contributing their time and effort in this course. They help tremendously in improving the skills on consultation, physical examination and other various aspects of the participating doctors. These are very useful to our members in preparing the Conjoint Fellowship Examination. The Board would like to express our sincere thanks to Dr Florence S S LAI in coordinating the course and all tutors for their hard work as follows: Dr CHOW Kam Fai, Dr CHUNG Kin Wing, Dr DAO Man Chi, Dr FOK Peter Anthony, Dr LEE Sum, Dr LUK Chun Wa, Dr Samuel J S SIU, Dr WONG Kwok Hoi, Dr WONG Chun Fai and Dr XU Shaowei.

Annual Refresher Course

Annual Refresher Course is the traditional major year-end event for 38 years. This year, we had 5 weekday lectures and 4 Sunday workshops and were attended by over 163 members. Thanks for all those participants who returned their evaluation questionnaires. The comments and suggestions are valuable in helping us to plan for the coming ARC in the coming year.

Professional Development Subcommittee

Since 2005, nine Interest Groups have been formed under Professional Development Subcommittee Clinical Family Medicine, Chronic Disease and Geriatrics, Counseling, Dermatology, Evidence-based Medicine, Medico-legal Alert, Mental Health and Psychiatry in Primary Care, Medical Humanities and Neuro-Musculoskeletal Interest Groups.

Our Interest Groups provide a platform for all members of our College in public and private sectors to meet and exchange their experience. Members are encouraged to participate and present their cases or problems for discussions or role-play for sharing. Sharing experience is an important mode of gaining knowledge. Both the experienced and less experienced doctors can benefit from their participation.

Sharing problem cases with specialists or experts will provide peer support, skill-mix, knowledge transfer and bridging the professional gap. This will help to solve our clinical problems and queries, upgrade our standard, raise our morale, and increase our job satisfaction. This will also promote early awareness, clinical governance and risk management in respect to different medical fields, to assure a better management and a high-quality health care for the public.

The Interest Group in Dermatology scheduled to have regular bimonthly meeting on the first Saturday afternoon of odd months (except public holidays) in the year 2018. We had 5 meetings in 2018.

SCHOLARSHIP

HKCFP Donald LI Scholarship

The HKCFP Donald LI Scholarship was established in Mar 2016 thanks to the generous donation by Dr Donald LI. It aims to provide an opportunity for outstanding family doctors in China with the appropriate knowledge, attitude and practical experience to pursue further practical family medicine training opportunities in Hong Kong.

The applications are open to those doctors in China who have attended the Training Programme in Family Medicine in Hong Kong co-organised by the Hong Kong College of Family Physicians and the Cross-Strait Medicine Exchange Association. The applicants are required to fill in an application form and write an essay of not more than 1000 words outlining their specific learning objectives in family medicine and their views on family medicine learning.

The Scholarship is awarded to at most three practising front-line doctors in China selected from the applicants. Each recipient of the Scholarship will receive HK\$10,000 for further practical family medicine training in Hong Kong for one week. They will be assigned to attachments in approved Family Medicine training centres in Hong Kong.

The awardees of the 2018 HKCFP Donald LI Scholarship were vetted and endorsed in January 2019 by a Selection Committee formed under the Board of Professional Development and Services. Details are as follows:

HKCFP Donald LI Scholarship Selection Committee 2018

Dr Angus M W CHAN, Dr David V K CHAO and Dr LAU Ho Lim

HKCFP Donald LI Scholarship Awardees 2018

CHAIRLADY'S MESSAGE

This year has passed smoothly in the running of the Board's regular activities. All Board members and subcommittee members had helped on various BVTS's activities such as responding trainees' enquiries, checking new applications for enrollment, checking logbooks for completion of trainees' training, organizing the workshop for both basic and higher trainees, travelling to various training centers for accreditation, reviewing the Structural Education Programmes for pre-approval and holding the quarterly board meeting etc. All these activities are ongoing all through the year and important to the standard of vocational training.

The usual statistics up to 31st March 2019 are as follows:

New enrolled Basic trainees	:	39
New enrolled Higher trainees	:	21
Total Basic trainees	:	134
Total Higher trainees	:	57

Our curriculum renewal is an ongoing process. The Board reviewed and made amendments on the documents according to the feedback collected from trainees and supervisors on trial run logbook and the old logbook. The Board had finalized and launched the new logbook in September 2019.

Lastly, I would like to take this opportunity to thank all our Board members, honorary clinical supervisors, and cluster coordinators for their contributions in the training programme. I would also like to express my sincere gratitude to our administrative executives Ms. Charlotte Cheung and Ms. Kathy Lai who are highly committed in their duties to serve the trainees and the Board's running. Their efforts and patience are very much appreciated.

Output

Congratulations to our trainees for passing the **HKCFP/RACGP** Conjoint Examination in 2018 and for being elected Fellows of the Hong Kong College of Family Physicians and the Royal Australian College of General Practitioners.

CHAIRMAN'S MESSAGE

The Hong Kong Practitioner, the official journal of the Hong Kong College of Family Physicians, served as a convenient and useful medium in providing clinical update on Family Medicine related issues to our College Fellows, members, and colleagues both locally and overseas, reaching out to over 3,500 recipients. Among the published manuscripts over the last 12 months, 4 articles (16%) were original research articles, 4 articles (16%) were update articles, 3 articles (12%) were case reports, 4 articles (16%) were editorials, 4 articles (16%) were clinical quizzes, 2 articles (8%) were internet update topics, 2 articles (8%) were letter to editor, 1 articles (4%) were discussion paper and 1 article (4%) was our Dr Sun Yat Sen Oration. Riding on the recent establishment of the 'Panel of Reviewers' from January 2018, in addition to the usual Editorial Board membership, the Board continued to conduct the peer reviewing process smoothly.

We would like to thank the following members, who have retired from the Board after years of dedicated service to the Hong Kong Practitioner.

1. Dr CHAN Lam (retired from the Board as Member of Panel of Reviewers since April 2019)
2. Dr Stephen CHEN (retired from the Board as Board Member since January 2019)
3. Dr CHEUNG Man Kuen (retired from the Board as Member of Panel of Reviewers since February 2019)
4. Dr LAM Man (retired from the Board as Board Member since January 2019)

Our Board would also like to welcome the following new members:

1. Dr CHAN Pang Fai (as a member of the Panel of Reviewers from June 2018 onwards)
2. Dr LAM Mei (as a member of the Panel of Reviewers from February 2019 onwards)
3. Dr Matthew M H LUK (as a member of the Panel of Reviewers from October 2018 onwards)
4. Dr YEUNG Wai Man (as a Board member from January 2019 onwards)

We would like to take this opportunity to express our sincere gratitude towards all the contributing authors, editorial board members, business manager, reviewers, advisers, ex-officio colleagues, statistical consultant and our secretariat staff for their tremendous support and dedication over the year. Our great appreciation also goes to the journal's readership for their unfailing support. The Editorial Board would continue to strive for enhancing the spectrum of clinical articles for the busy family physicians.

The Specialty Board conducted 2018 Supplementary Exit Examination from 3 July to 21 September 2018. 12 candidates sat the supplementary Exit Examination and 11 of them successfully completed and passed the whole Exit Examination.

The 2019 Full Exit Examination was held from 3 December 2018 to 24 March 2019. 22 candidates attempted the Examination and 13 candidates successfully completed and passed the whole Exit Examination. Professor Doris Young was the External Examiner of the 2019 Full Exit Examination.

The successful candidates were:

Dr Eva T K AU
Dr CHAN Ka Ho
Dr CHAN So Wai
Dr CHEUK Tat Sang
Dr CHOW Tsz Ling
Dr CHUNG Sze Ting
Dr DAO Man Chi
Dr FOK Chun Man

Dr Elaine Y M KWOK

The "Outstanding Candidate Award 2019" was presenting to Dr WU Chun Yu, who had passed the Exit Examination at one setting with outstanding performance in the Examination.

The Board had organized Pre-Exit Examination Workshop and Post-Examination Evaluation Workshop after the Examination for candidates. The second Refresher Course for examiners was held in December 2018 to maintain the standards of the assessment.

Another task of the Board is to scrutinize applications for nomination to Fellowship of the Hong Kong Academy of Medicine in Family Medicine. It also assesses application for Certificate of Specialist Registration with comparable training according to guidelines laid down by Education Committee, HKAM and makes recommendation to our College Council. The College submitted 24 fellowship nominations and were all approved by the Hong Kong Academy of Medicine.

Finally, the Board would like to express the most sincere thanks to all examiners for their dedication and hard work in making the Exit Examination possible and successful.

This year is another busy year. We have organised different types of CME activities for our members. The regular bi-monthly Dermatology and Mental Health Interest Groups, Medical Humanities Interest Group, Evidence-Based Medicine Interest Group, Geriatric Interest Group and Counselling Interest Group are most welcome by our members. Training Course including Chronic Disease Management for Primary Care Doctors co-organized with Primary Care Office, Department of Health; Bringing Better Health to our Community co-organized with Queen Elizabeth Hospital; Refresher Course for Health Care Providers co-organized with Our Lady of Maryknoll Hospital and the Hong Kong Medical Association; and CME Course for General Practitioners co-organized with the United Christian Hospital and the Hong Kong Medical Association, Certificate Courses included Practice Management, the Advanced Primary Care Life Support (APCLS) Training and Examination Workshop and the Certificate Course on End-of-life Care for Primary Care Doctors co-organized with The Haven of Hope Service and Jockey Club End of Life Community Care Project are well attended. Update on Urogynaecology are opened to all our College members with good attendance. Assessment Enhancement Course (AEC) and Annual Refresher Course (ARC) are also successfully arranged by Board of Education. As usual, we have yearly pre-examination workshop for the candidates and standardization for the examiners arranged by Board of Conjoint Examination and Specialty Board. The 8th Hong Kong Primary Care Conference with the theme "Family Physician – Nexus of the New Era of Primary Care", held on 23 – 24 June 2018 had more than 470 participants. These valuable activities, some are generously sponsored by pharmaceutical companies, can effectively enhance and update a broad range of medical knowledge for our members.

We had a memorable evening of 41st Annual Dinner held on 16th December 2018 at the Hong Kong Academy of Medicine Jockey Club Building and shared our joyful moment with all our members and invited guests together. We had the dinner lucky draw that night. I would like to take this opportunity to thank our College members, Cordis Hotel, Nikon HK and Min Yuen Tong for their generous donation of the lucky draw prizes.

Our Journal remains to be one of the most outstanding and widely circulated local medical literatures. The advertising section in The Hong Kong Practitioner and The FP Links, The College's bulk e-mail mailing and circulating services from members and other institutions remain very popular.

I would like to take this opportunity to thank the Committee members for their contributions.

On behalf of the College, I would also like to express my gratitude to all the following companies and organizations for their generous support for the College's functions in the past one year:

The Credentialing Committee and CSR Vetting Committee

The Credentialing Committee and CSR Vetting Committee were incorporated from December 2018 under the Management of the EC coordinator for a better collaboration with the Academy and the sister College on the relevant issues.

Trainer to Trainee Ratio

For the Trainer to Trainee Ratio, all Colleges (and respective specialties) including HKCFP are able to provide a ratio better than the basic requirement of 1 : 3.

College Examination Arrangement in Hospital Authority (HA) Hospitals

Representative from HA presented the proposal on the College examination arrangement in HA venues, which was discussed earlier in the Training Forum on Collaboration between HA and HKAM last year. It was proposed to standardise charging formula to be adopted in all HA hospitals across Clusters, and the charges would be at concessionary rate, based on floor area and duration of venue usage.

EC Members reiterated the principle that training and assessment of trainees should be considered as part of the HA's mission and duties, and that HA and Colleges are partners in clinician training, and therefore venue charging of College examinations would not be perceived as reasonable. Furthermore, HKAM and its Colleges should not be regarded simplistically as other organisations or different legal entities, in view of their special partnering relationship with HA. The principle of charging by HA would impose negative sentiment among Colleges and their members, and possibly adverse publicity, regardless of the well-intended logistics.

HA's representative expressed that they were open on this issue and would explore how best to revise the current policy after further discussions with the Academy. Further discussion would be required between HA and the Academy.

Progression from Basic to Higher Training

As referred by the Membership Committee, members were briefed that a few HKAM Fellowship nominees from some Colleges were allowed to start their higher training before taking intermediate examination. The Academy's "Guidelines for Training" has not specified that intermediate examination is required to be taken before progressing from basic to higher training (though such is the understanding and common practice among most Colleges at present). After discussion, members agreed that taking intermediate examination before progressing to higher training does not need to be mandatory, so as to allow flexibility for Colleges to take into account of different features of respective training curriculum and structure.

Specialty Development and Training for Genomic and Genetic Medicine

The Steering Committee on Genomic Medicine established by FHB had invited the Academy and Colleges to consider the following:

- whether an independent specialty of Clinical/Medical Genetics (and Genomics) should be established;
- whether, and if so, how further training on Genomic and Genetic Medicine could be provided in specialties with more involvement of Genomic and Genetic Medicine, such as Family Medicine, Oncology, and Internal Medicine.

Leave policy for Trainees

Leave policy for trainees was raised and it was understood that a uniform policy from the Academy would be difficult and not necessary since each College might have own considerations / constraints in respective training programmes. Each college would decide whether and when extended leave of a defined duration would significantly impact on the adequacy of training in accordance with the contents and methods of their training programmes in relation to the progress of a particular trainee in the training programme(s). Colleges were asked to clearly stipulate the duration of leave beyond which remedial or supplementary training would be required. The said duration should be applicable to all kinds of leave without prejudice. College may deviate from its established guidelines subject to sufficient justifications on a case-by-case basis. When necessary, Colleges may want to determine another duration of leave beyond which training would be considered to be sufficiently disrupted as to warrant suspension or termination of training status.

Similarly, discussion on part-time training was underway within Colleges, which would require facilitation by HA with changes of employment terms or associated policies. HA updated that a kind of fractional work arrangement is being explored, which could be applied to services of certain specialties as pilot and might then be extended to trainees where applicable. Members agreed to further examine the matter and raise concerns to HA.

Specialist Training for Female Medical Graduates

The Hong Kong Women Doctors Association reviewed the gender ratio of medical graduates and students of CUHK that showed a trend of feminisation of medical workforce. The Association suggested the Academy to look into the matter and make recommendations to address the matter (e.g. by means of “less than full time” training or flexible training arrangement).

EC Members generally agreed with the stance that appropriate measures would be welcomed if they could facilitate trainees and help address the issue of manpower shortage, but such measures should not be gender-specific. All Colleges were invited to review / develop relevant policy regarding part-time / flexible training arrangement for further discussions within the EC. It was noted HKCFP had been allowing part-time training.

Periodic Reaccreditation with the RACGP and RACGP's Annual GP Conference GP18

The periodic reaccreditation procedures on Vocational Training, Conjoint Examination, and Quality Assurance and Accreditation Programme had been successfully completed in 2018 with the RACGP. The HKCFP Reaccreditation Team, led by Dr David Chao (President), Dr Angus Chan (Immediate Past President), and Dr Cindy Lam (Chief Censor) met with the RACGP team of experts, namely Dr Mark Miller, Dr Chris Hughes, and Dr Mark Rowe. In addition to providing briefing seminars on various facets related to our vocational training, conjoint examination, and quality assurance programmes, several training locations were visited for inspection of the clinical setup and trainees in different stages of vocational training were interviewed by the reaccreditation teams during the process. The teams also met on several occasions to discuss and exchange views about the future training and examination developments. Subsequently, HKCFP was invited to sign a Memorandum of Understanding for International Training Provider between our College and RACGP on 11 October 2018, i.e. the first day of RACGP's Annual Conference - GP18. The Memorandum of Understanding would continue for 5 years. During this visit, we had the great opportunity to exchange views on the enhancements of primary care systems and Family Medicine training with Presidents and Leaders of sister Colleges from around the globe.

WONCA World Conference 2018 in Seoul, Korea

The WONCA World Conference was held in Seoul, Korea from 17 to 21 October 2018. This year, more than 70 College members attending this memorable event and witnessed the inauguration of Past President and incumbent Censor of HKCFP Dr Donald Li assuming his new role as the President of the World Organisation of Family Doctors (WONCA). The College hosted a Cocktail Reception to celebrate the inauguration of Dr Li at the COEX Exhibition Centre in Seoul. More than 100 International and Mainland guests attended the celebration and it was a wonderful occasion for the Hong Kong delegates to interact with international clinical leaders.

The Chairlady of HKCFP Young Doctors Committee Dr Loretta Chan and six members of the Committee officially represent the College and attended the Young Doctors' preconference. Dr Loretta Chan was also elected as the Treasurer of the Rajakumar Movement, the Young doctors Committee of WONCA Asia Pacific Region.

The College hosted a Workshop "Promoting Family Medicine – Novel Ideas" with the coordination of the members of Young Doctors Committee and Public Education Committee. The College shared her experience in health promotion in mass media in the past 40 years. We had also discussed with the participants from the developing and developed countries about their own local experiences of Family Medicine promotion and brainstorm innovative solutions to increase public awareness and acceptance of Family Medicine.

WONCA APR Conference 2019 in Kyoto, Japan

The WONCA APR Conference took place from 15-18 May 2019 in Kyoto, Japan with the theme "Medical Generalists: bringing forward a brighter future". The Organising Committee recognised that evidence of the health promoting influence of primary care had been accumulating ever since researchers had been able to distinguish primary care from other aspects of the health services delivery system and the main players of primary care were generalists.

The Young Doctors Preconference organised by The Rajakumar Movement (TRM) was held on the first day of the Conference. Dr Loretta Chan, our official representative of TRM reported on the events organised by HKCFP Young Doctors Committee and shared the current related issues in Hong Kong.

World Family Doctor Day 2019

This year, the theme of the World Family Doctor Day was, "Family doctors – caring for you for the whole of your life", or 「家庭醫生－你的終生健康伙伴」 in Chinese. It aimed at highlighting the role of family doctors in providing life - long care to their patients – "from cradle to grave". In support of the World Family Doctor Day, the College and the Department of Health of Hong Kong (DH) jointly held a symposium to celebrate World Family Doctor Day 2019 on 11 May 2019.

Also, with the coordination of our Public Education Committee, the College compiled a short video consisting of the "thank you" messages received from our patients for celebrating the World Family Doctor Day. Same as last year, our representative was invited to attend the live Radio Programme 'Healthpedia' of Radio Television Hong Kong to promote the WFDD.

The 6th Cross-Strait Congress of General Practitioners

The 6th Cross-Strait Congress of General Practitioners (第六屆海峽兩岸全科醫學大會暨海醫會全科醫學分會第六屆學術年會) was held in Zhengzhou, China from 29 – 31 Mar 2019 with the theme "Seize the opportunity to deepen the integration and development of general practice" ("科研引領, 完善學科, 共享全科醫學發展"). The 3rd HKCFP Donald Li Scholarships were also presented to three awardees in the opening ceremony of the Conference. Speakers from the College shared with the Mainland GPs on various update topics and research studies.

The 4th Annual General Practice Training Forum of the Chinese Medical Doctor Association

The 4th Annual General Practice Training Forum of the Chinese Medical Doctor Association (CMDA) cum the 16th Annual Conference of General Practice and Community Health took place in April this year in Beijing. The theme of the Conference was "拓展視野 創新發展 突破難點 提升質量". Same as last year, the Hong Kong Academy of Medicine was invited to be the co-organiser and organised a delegation with the representatives from the sister Colleges to attend the conference. Dr William Wong represented our College to join the delegation and delivered a speech on Research in General Practice.

With careful monitoring by the Finance Committee, the financial situation of the College in 2018-2019 continued to remain sound and healthy. Our accumulated financial reserve kept on growing steadily. There is now a deposit of equivalent of over HK\$14.8 million in our accounts. There are no major changes in our portfolio as compared to the previous financial year. We have about 25% of our portfolio is in equity shares, purchased when they were first issued, and the great majority of our funds are in the form of cash savings in various banks.

I would like to express my sincere thanks to Dr David Chao, our President, Dr Lau Ho Lim, our Vice-President (General Affairs), Dr Cecilia Fan, our Vice-President (Education & Examinations), Dr William Wong, our Honorary Secretary, Ms Erica So, our General Manager and Ms Priscilla Li, our Administrative Executive, for their continuous support and services. I would also like to thank Mr C F Cheung, our Honorary Auditor, for his professional advice and services.

CHAIRLADY'S MESSAGE

Since the publication of the inaugural edition in March 2004, FP Links serves as the College Newsletter of HKCFP with the following missions:

1. To disseminate the College News to College members.
2. To report news of various Boards and Committees.
3. To provide a channel for dissemination of information or articles related to Family Medicine, either clinical or non-clinical.
4. To act as a bridge for communication between members and the College

The founding Editorial Board started off with three members under Dr John Chung's leadership. Throughout these years, there is significant expansion of our membership list. Our committee now comprises 23 members coming from different sectors: public and private; universities, cross clusters and even cross countries. With the vision to promote Family Medicine and advocate for primary care, we work closely to promote the development of Family Medicine and enhance the communication between the College, members and other professionals. Our contents are strongly diversified, from photo gallery and highlights of college events, WONCA news, features of primary care initiatives/ programmes, to latest medical updates and health related news, and even sharing of colleagues, young and experienced, about their life and reflections as a family doctor. There is also support from other Boards, e.g. the Board of Education who contribute the learning points discussed in group meetings. Our aim is to produce a newsletter which is both informative and interesting.

Our College is invited by the Hong Kong Academy of Medicine to co-host the Tripartite Congress from 6-8 December 2019 (Friday-Sunday) at HKAM Jockey Club Building, Aberdeen, Hong Kong.

The official name of the conference is "4th AMM-AMS-HKAM Tripartite Congress cum 53rd Singapore – Malaysia Congress of Medicine & Hong Kong Primary Care Conference 2019", co-organised by the Academy of Medicine of Malaysia (AMM), Academy of Medicine, Singapore (AMS), Hong Kong Academy of Medicine (HKAM) and Hong Kong College of Family Physicians (HKCFP). The theme of the Conference is "People-centred Care: Towards Value-Based Innovations".

The three Academies have much in common in many aspects. We have very similar changing demographic trends and disease patterns. We share the same principles in medical postgraduate training. Most important of all, we have the same colossal demand in primary healthcare. This conference will be an opportunity for medical practitioners to share their knowledge and experience with friends and colleagues locally and from South East Asia, and to make contacts that may lead to future collaborations.

Expertise and Professionalism of the Secretariat

There are 4 major academic events organised annually by our College, namely the Diploma of Family Medicine Examination, the Conjoint Fellowship Examination, the Exit Examination and the Hong Kong Primary Care Conference.

Last year, our College Secretariat once again helped organise and run three very successful professional examinations, the Diploma of Family Medicine Examination, the Conjoint Fellowship Examination and the Exit Examination, earning very encouraging positive feedback from our Examiners and External Examiners alike.

As in previous years, our Secretariat also organised the Hong Kong Primary Care Conference single-handedly without requiring our College to outsource the task to other academic conference planners. It allows us to host an important medical conference on primary care in Hong Kong within our limited financial and manpower resources. It also demonstrates to other members of the medical community that HKCFP possesses the expertise to host important medical conferences, so much so that the Hong Kong Academy of Medicine has invited our College to co-organise "The 4th AMM-AMS-HKAM Tripartite Congress cum 53rd Singapore – Malaysia Congress of Medicine & Hong Kong Primary Care Conference 2019".

Salary revision exercise and Staff promotions

It is the usual practice of the Committee to review staff performance and propose an adjustment in salary, taking into consideration factors like the inflation rate, completion of contract, promotion and performance review for the individual staff. The Academy of Medicine's grading system and the latest Government's civil service pay policy were also taken as a reference.

In the last financial year, all members of staff received a salary increment according to their work performance. On the other hand, Ms Alky Yu was promoted to Executive Officer.

High-morale team

The House Committee Chairman has talked to individual staff at regular intervals, in order to know their views on College matters and to ascertain if there are any difficulties encountered in their work. Appropriate feedback would be given and any necessary follow-up or actions done.

Traditionally, an annual gratuity lunch was organised to fortify the team spirit in the Secretariat

Staff changes

Ms Natalie Ho (Administrative Executives) and Mr Louis Law (Administrative Assistant) have resigned while Ms Angel Fung and Ms Cherry Ma joined the Secretariat.

Last but not least, the Committee Chairman would like to thank Ms Erica So, General Manager, for her excellent leadership and contribution, and all staff for their committed support throughout the years

INTERNAL AFFAIRS COMMITTEE

41st Annual Dinner

The 41st Annual Dinner was held on 16 December 2018 (Sunday) at Run Run Shaw Hall, 1/F, Hong Kong Academy of Medicine Jockey Club Building, Wong Chuk Hang, Hong Kong.

The Annual Dinner was well attended by 197 participants including our Council members, College Board/Committee members, their spouses and guests from different collaborative organisations. It provided a joyful opportunity for us to meet and catch up with colleagues and friends.

The Internal Affairs Committee wishes to thank Dr David V K CHAO, our new President, and our Council members, as well as collaborative organisations, hotels and the Printhouse for supporting and sponsoring the prizes in the Lucky Draw. Dr Judy G Y CHENG, Dr Heidi H T FUNG and Dr Matthew M H LUK, the Masters of Ceremony of the Annual Dinner, and our secretariat team members who dedicated their great efforts in making the Annual Dinner a successful occasion. We would also like to express our gratitude towards Dr John T N CHUNG and Dr Raymond W M YEUNG for their saxophone duet; and our in-house live band FM2 醫家樂隊 formed by members of Young Doctors Committee, including Dr Chloe L CHAN, Dr TSE Sut Yee, Dr Aldo C L WONG and Dr Vincent C T YIU. In addition, we would like to thank Dr LO Ling who had again volunteered to be our additional photographer for the occasion.

32nd Conferment Ceremony and the 30th Dr Sun Yat Sen Oration

The 32nd Fellowship Conferment Ceremony and the 30th Dr Sun Yat Sen Oration were held on 9 June 2019 (Sunday) at the Run Run Shaw Hall, Hong Kong Academy of Medicine Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

This year, the Ceremony was well attended by 311 participants, including the successful candidates of Exit Assessment, Conjoint Fellowship Examination, Diploma in Family Medicine and their families and friends, as well as invited guests and dignitaries from the Food and Health Bureau, the Department of Health, the Hospital Authority, the universities and representatives of local and overseas academic colleges.

Prof. Amanda HOWE, Immediate Past President of the World Organization of Family Doctors (WONCA) and also the Honorary Fellow of HKCFP, delivered the 30th Dr Sun Yat Sen Oration titled "Identity, humanity and equity - three principles for modern times".

This year, the Public Education Committee continued to carry out public education activities through different channels. The Media Column Subgroup continued to publish articles regularly in the Hong Kong Economic Journal (信報). The published articles are amounted to 648 for the Hong Kong Economic Journal.

The World Family Doctor Day Symposium 2019 with the theme “Family doctors – caring for you for the whole of your life” was successfully held on 11 May 2019 to celebrate the ‘World Family Doctors Day’ (on 19 May each year). This event was co-organized by College and PCO, and 165 attendees were recorded.

Various public education activities and events in 2018 to 2019 were listed at the end of the report. I would like to thank all the colleagues who had offered their valuable assistance in the past year, and our excellent administrative support from the secretaries.

The QA&A program aims to promote participation in Continuing Medical Education (CME) and Continuing Professional Development (CPD) activities for General Practitioner (GP) and Family Physician (FP). With end in mind to promote best practices, educational activities proposed to our College are assessed by the QA&A committee to identify relevant and high quality ones for members' attendance. Participation in these learning activities towards best practices are acknowledged by CME/CPD points, with issuing of CME certificate to those fulfilling the College's requirement as a token recognition and encouragement. To further strengthen succession planning and continuity of the committee, we have introduced 2 vice chairmen posts with interposing terms namely 1 year and two years respectively for Vice-Chairman 1 and Vice-Chairman 2.

In order to further enhance an effective and efficient QA&A program for GP/FP, the QA&A committee has conducted a review on prevailing operation since 2Q2016. Active Learning Mode (ALM) has been endorsed in Hong Kong Primary Care Conference since 2016. In this regard, active participation in prescribed learning of a prior-accredited activity may earn CPD points upon successful submission of both pre- and post- MCQs. Through innovative learning mode as such, learning may be facilitated efficiently and effectively in this era of rapid knowledge and technology expansion. ALM has also implemented in the Annual Refresher Training Course held by Specialty Board in December 2018.

Also since the CPR Requirement of RACGP QI & CPD Programme 2017-19 has been amended, in order to achieve reciprocal recognition with RACGP QI & CPD Programme and College QA Programme; the enhanced CPR Course – 'The Advanced Primary Care Life Support Course' has been promoted alongside with CPR Subcommittee of The Board of Education starting from 2017. In addition starting from 1 January 2017, for HKCFP Members who have chosen Hong Kong Academy of Medicine (HKAM) as their CME Administrator for the MCHK CME Programme for Non-specialists, their MCHK CME record would be under College's administration; and the administrative fee charged by HKAM were waived.

Kindly note that the electronic copy of CME Certificate 2018 is available on the College's homepage <http://www.hkcfp.org.hk>, members can login to their own account to download the certificates anytime. Request for hardcopy certificate can be made in writing to the college secretariat, an administrative fee of \$50 per copy will be charged starting from July 2016. Please find list of active fellows/members who have fulfilled the College's requirement for awarding CME certificate for 2018 as below.

Eleven submissions had been received for the Best Research Award 2018 and the selection panel consisted of two assessors. The winning paper was "5-year effectiveness of the multi-disciplinary Risk Assessment and Management Programme for primary care patients with hypertension (RAMP-HT) on HT-related complications and health service utilization – A population-based matched cohort study" by Dr Esther Y T YU.

The 2019 HKCFP Research Fellowship had received three applications this year. The selection panel which consisted of two

assessors had selected the winner to be Dr LAU Ka Man. Her research project was "The effectiveness of atrial fibrillation special clinic on oral anticoagulants use for high risk atrial fibrillation patient management in community".

The Committee has established two new funding awards over the last six years: Trainees Research Fund, to encourage trainees to attempt research segment of the Exit Examination, and Research Seed Fund, to provide the opportunity for other interested parties to develop fitting proposals and ideas. Successful applicants from the awards can fully implement and test their research strategies in the public, which ultimately contribute to the primary care sector.

Finally, I wish to thank all who have provided assistance to the Research Committee and look forward to closer collaborations in the future.

In the year 2018-19, we are happy to serve our College members.

Computer software and hardware are updated and renewed as necessary to meet the work demand. Thanks to our secretarial support and input from the committee, the options of new registration system for educational activities, members MCQs and Clinical Quizzes function are now in use. The Web Committee also look after the College Facebook, where rapid and timely information to share to our members and friends in the community. Paypal payment is also opened for registration fee of Tripartite Congress 2019.

We welcome suggestions from interested members. The daily web and computer operation is being monitored by our dedicated secretarial staffs, we are thankful for their work.

I would like to thank the members of the Web Committee for the support and valuable advice in the past year. We look forward to another year of service.

CO-CHAIRMEN'S MESSAGE:

The HKCFP Young Doctors Committee was formed and was endorsed by the our College Council in May 2017, with the aims to engage young doctors in our College activities and enhance their communication, to nurture young leaders, to connect young doctors locally and internationally, and to promote continuity of representation by our young College members in national and international events. The membership of the Committee would be renewed annually in order to vitalize the Committee and keep it full of energy and enthusiasm.

HONORARY TREASURER

(April 2018 to March 2019)

Honorary Treasurer: Dr Billy C F CHIU

Staff: Ms Priscilla S M LI (Administrative Executive)

The financial situation of our College remains stable for the year 2018-2019. With a current reserve valued in excess of HK\$14.8 million, thanks to the conservative investment strategy of the Finance Committee. The great majority of our funds are in the form of cash savings in the Bank of East Asia, HSBC and Wing Hang Bank.

Our College is operated under four companies, as detailed in the Auditor's report.

In this financial year, our main income sources were from, in descending order, the Membership Committee, Board of Conjoint Examination, Board of Diploma in Family Medicine (DFM), Specialty Board and Board of Vocational Training and Standards. When compared with 2017-2018, the Membership Committee, membership subscriptions obtained an income of HK\$1.32 million but with 6% decrease as 10% earlybird discount was offered with good feedback. The Board of Conjoint Examination obtained a surplus of HK\$1.03 million (100% increase). The Board of DFM obtained a surplus of HK\$981K (9% increase). The Specialty Board obtained a surplus of HK\$635K (4% decrease). The Board of Vocational Training and Standards obtained a surplus of HK\$488K (30% increase).

On the side of expenditure, our single most significant spending is still in staff salaries and allowances, which amounted to HK\$4 million. The Board of Education saw a deficit of HK\$658K but with a significant improvement of 23% when compare with 2017-2018.

On behalf of the board

Chairman
HONG KONG, 25 October 2019

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE HONG KONG COLLEGE OF FAMILY PHYSICIANS
(Incorporated in Hong Kong with limited liability)**

Opinion

I have audited the financial statements of Hong Kong College of Family Physicians ("the Company") set out on pages 5 to 13, which comprise the statement of financial position as at 31 March 2019, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2019, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The Council of the Company are responsible for the other information. The other information comprises all information included in the Council's report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Council and Those Charged with Governance for the Financial Statements

The Council are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the Council determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Council are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSA, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud

may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

-
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
-
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Council.
-
- Conclude on the appropriateness of the Council's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
-
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
-

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

NOTES TO THE FINANCIAL STATEMENTS

1 LEGAL STATUS

The College is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member, or within one year after he ceased to be a member for payment of the debts and liabilities of the College contracted before he ceases to be a member, and costs, charges and expenses of winding up, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2 GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company are provision of continuing medical education in relation to family medicine.

3 SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment, except investment properties, are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of comprehensive income is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line method at the following rate to write off the costs of the assets over their estimated useful lives.

Furniture, fixtures and equipment	15% p.a.
-----------------------------------	----------

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related party

For the purpose of these financial statements, related party includes a person and entity as defined below:

(1) A person or a close member of that person's family is related to the Group and the Company if that person:

- (i) is a member of the key management personnel of the Group and the Company or of a parent of the Group and the Company;
 - (ii) has control over the Group and the Company; or
 - (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.
- (2) An entity is related to the Group and the Company if any of the following conditions applies:
- (i) the entity and the Group and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
 - (iii) both entities are joint ventures of a third entity.
 - (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Group and the Company or an entity related to the Group and the Company. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
 - (vi) the entity is controlled or jointly controlled by a person identified in (1).
 - (vii) a person identified in (1)(i) has significant voting power in the entity.

(d) Revenue recognition

Entrance fee from members are recognised in the financial year of receipt.

Annual subscriptions fee is recognised on a time proportion basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Foreign currencies

Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the period end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

(f) Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

4 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements because there is no estimated assessable profits for the year. (2018:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other Council members and officials of the College, the following representations given to you in connection with your audit of the College's financial statements for the year ended 31 March 2019

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the College and of the results and cash flows of the College for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Council members received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

On behalf of the Board

Chairman
Hong Kong, 25 October 2019

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP EDUCATION LIMITED
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

Qualified Opinion

I have audited the financial statements of HKCFP Education Limited ("the Company") set out on pages 5 to 12, which comprise the statement of financial position as at 31 March 2019, and the statement of comprehensive income and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2019, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards for Private Entities ("HKFRS for PE") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Qualified Opinion

As explained in note 6 to the financial statements, the company has not prepared consolidated statements of the Group because the directors consider that it would involve expenses and delay out of proportion to the value to the members. Under Hong Kong Financial Reporting Standards, group accounts should have been prepared. It is not practicable to quantify the effects of the departure from this requirement.

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The directors of the Company are responsible for the other information. The other information comprises all information included in the directors' report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Directors and Those Charged with Governance for the Financial Statements

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRS for PE issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the

aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The company is limited by guarantee and without a share capital. The liability of each of its membership in the event of its being wound up while he is a member, or within one year after he ceased to be a member for the payment of the debts and liabilities of the company contracted before he ceases to be a member and of the costs, charges and expenses of winding up the company, and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$10.

2. GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the company is to act as an Educational Organization in respect of the development of Family Medicine.

3. BASIS OF PREPARATION AND ACCOUNTING POLICIES

(a) Subsidiaries

A subsidiary is a company in which the company, directly or indirectly, controls the composition of the board of directors, controls more than half of the voting power or holds more than half of the issued share capital. The company's interest in subsidiaries are stated at cost less provision for permanent diminution in value. Results of the subsidiaries are accounted for by the company on the basis of dividends received and receivable.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related party

For the purpose of these financial statements, related party includes a person and entity as defined below:

- (1) A person or a close member of that person's family is related to the Group and the Company if that person:
 - (i) is a member of the key management personnel of the Group and the Company or of a parent of the Group and the Company;
 - (ii) has control over the Group and the Company; or
 - (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.
- (2) An entity is related to the Group and the Company if any of the following conditions applies:
 - (i) the entity and the Group and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
 - (iii) both entities are joint ventures of a third entity.

- (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
- (viii) the entity is a post-employment benefit plan for the benefit of employees of either the Group and the Company or an entity related to the Group and the Company. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
- (vi) the entity is controlled or jointly controlled by a person identified in (1).
- (vii) a person identified in (1)(i) has significant voting power in the entity.

(d) Revenue recognition

Revenue arising from activities is recognised when the activities are completed.

Management fee received is recognised when management services are rendered.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

4 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as there is no estimated assessable profits for the year. (2018:Nil).

The company had no significant unprovided deferred taxation at 31 March 2019 and 2018 and for the years then ended.

At 31 March 2019, the company has unused tax losses of HK\$16,518,190 (2018:HK\$14,860,738) available for offset against future profits. No deferred tax assets has been recognised due to the unpredictability of future profit streams. The losses may be carried forward indefinitely.

5 DIRECTORS' REMUNERATION

None of the directors received any remuneration for their services rendered to the company during the year. (2018:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2019.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2012, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HKCFP FOUNDATION FUND
(Limited by guarantee)
(Incorporated in Hong Kong with limited liability)**

Opinion

I have audited the financial statements of HKCFP Foundation Fund ("the Foundation") set out on pages 5 to 11, which comprise the statement of financial position as at 31 March 2019, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Foundation as at 31 March 2019, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Foundation in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The Executive Board of the Foundation is responsible for the other information. The other information comprises all information included in the Executive Board's report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Executive Board and Those Charged with Governance for the Financial Statements

The Executive Board is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the Executive Board determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Board is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Board either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSA's, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
-
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
-
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Board.
-
- Conclude on the appropriateness of the Executive Board's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
-
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

HKCFP FOUNDATION FUND
(Limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS

1. LEGAL STATUS

The Foundation is a company limited by guarantee and not having a share capital. The liability of each of its members, in the event of its being wound up while he is a member or within one year after he ceased to be a member for payment of the debts and liabilities of the Foundation contracted before he ceases to be a member, and costs, charges and expenses of winding up and for the adjustment of the rights of the contributories among themselves, is limited to an amount not exceeding HK\$50.

2. GENERAL INFORMATION

The Foundation is a limited company incorporated in Hong Kong. The address of the Company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activities of the Foundation is to promote, encourage and assist, for the public benefit, research and education on family medicine.

3. SIGNIFICANT ACCOUNTING POLICIES

(a) Available-for-sale investments

Available-for-sale investments are non-derivative financial assets in listed equity securities that are designated as available for sale. After initial recognition, available-for-sale investments are measured at fair value, with gains or losses recognized as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in the statement of comprehensive income.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Related parties

For the purpose of these financial statements, related party includes a person and entity as defined below:

(1) A person or a close member of that person's family is related to the Foundation if that person:

- (i) is a member of the key management personnel of the Foundation or of a parent of the Foundation;
- (ii) has control over the Foundation; or
- (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.

(2) An entity is related to the Foundation if any of the following conditions applies:

- (i) the entity and the Foundation are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
- (ii) either entity is an associate or joint venture of the other entity (or of a member of a group of which the other entity is a member).
- (iii) both entities are joint ventures of a third entity.
- (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
- (v) the entity is a post-employment benefit plan for the benefit of employees of either the Foundation or an entity related to the Foundation. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
- (vi) the entity is controlled or jointly controlled by a person identified in (1).

(vii) a person identified in (1)(i) has significant voting power in the entity

- (d) Revenue recognition
Donation received is recognised on receipt basis.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

- (e) Foreign currencies
Transactions in foreign currencies are translated at exchange rates ruling at the transaction dates. Monetary assets and liabilities in foreign currencies at the year end are translated at rates of exchange ruling at the statement of financial position date. All exchange differences are dealt with in the statement of comprehensive income.

4. TAXATION

No provision for Hong Kong profits tax has been made in the financial statements as the Foundation is exempt from tax under Section 88 of the Inland Revenue Ordinance.

5. EXECUTIVE BOARD MEMBERS' REMUNERATION

None of the Executive Board members received any remuneration for their services rendered to the Foundation during the year. (2018:Nil)

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other board members and officials of the Foundation, the following representations given to you in connection with your audit of the Foundation's financial statements for the year ended 31 March 2019.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Foundation and of the results and cash flows of the Foundation for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the Executive Board members received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.
9. We confirm that the market value of the investment securities held by the company as at the statement of financial position date amounted to HK\$5,101,771.

On behalf of the Board

Chairman

HONG KONG, 25 October 2019

INDEPENDENT AUDITOR'S REPORT
TO THE SHAREHOLDERS OF HKCFP HOLDINGS AND DEVELOPMENT LIMITED
(Incorporated in Hong Kong with limited liability)

Opinion

I have audited the financial statements of HKCFP Holdings and Development Limited ("the Company") set out on pages 5 to 12, which comprise the statement of financial position as at 31 March 2019, and the statement of income and retained earnings and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2019, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards for Private Entities ("HKFRS for PE") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The directors of the Company are responsible for the other information. The other information comprises all information included in the directors' report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Directors and Those Charged with Governance for the Financial Statements

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRS for PE issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic

decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

HKCFP HOLDINGS AND DEVELOPMENT LIMITED

NOTES TO THE FINANCIAL STATEMENTS

1 GENERAL INFORMATION

The Company is a limited company incorporated in Hong Kong. The address of the company's registered office is Room 803-4, 8/F., HKAM Jockey Club Building, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The principal activity of the Company is to act as an Educational Organization in respect of the development of Family Medicine.

2 BASIS OF PREPARATION AND ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the Hong Kong Financial Reporting Standard for Private Entities (HKFRS for Private Entities) issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention.

(a) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of an asset comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance costs, is normally charged to the statement of income and retained earnings in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of the asset, the expenditure is capitalised as an additional cost of the asset.

The gain or loss on disposal or retirement of an asset recognised in the statement of income and retained earnings is the difference between the sales proceeds and the carrying amount of the relevant asset.

Depreciation is calculated on the straight line basis at the following rates to write off the costs of the assets over their estimated useful lives:

Furniture, fixture and equipment	15% p.a.
Leasehold improvement	15% p.a.

(b) Impairment of non-financial assets, other than inventories

At each reporting date, property, plant and equipment, investment properties, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(c) Turnover

Turnover represents course fees received.

(d) Revenue recognition

Revenue arising from professional courses is recognised when received.

Interest income is recognised on the time proportion basis taking into account the principal outstanding and the effective rate of interest applicable.

(e) Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases (known as temporary differences). Deferred tax liabilities are generally recognised for all temporary differences that will result in taxable amounts in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (taxable temporary differences). Deferred tax assets are generally recognised for all temporary differences that will result in amounts that are deductible in determining taxable profit (tax loss) of future periods when the carrying amount of the asset or liability is recovered or settled (deductible temporary differences) - but only to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

(f) Going concern

The financial statements have been prepared under the going concern concept because the shareholders agree to provide adequate funds for the company to meet its liabilities as they fall due.

3 TAXATION

No provision for Hong Kong profits tax has been made in the financial statements in view of the excess of the allowable losses brought forward over the estimated assessable profits for the year. (2018:Nil)

The taxation charges is made up as follows:

Dear Sir,

We confirm to the best of our knowledge and belief, and having made appropriate enquiries of other committee members and officials of the Association, the following representations given to you in connection with your audit of the company's financial statements for the year ended 31 March 2019.

1. We acknowledge that the Companies Ordinance requires us to prepare financial statements which give a true and fair view of the state of affairs of the Company and of the results and cash flows of the Company for the year. In preparing these financial statements, we have:
 - a. selected suitable accounting policies and applied them consistently;
 - b. made judgements and estimates that are prudent and reasonable;
 - c. stated the reasons for any significant departure from applicable accounting standards in Hong Kong;
 - d. prepared the financial statements on the going concern basis; and
 - e. all reasonable steps have been taken to ensure that the financial statements comply with section 383 of the Companies Ordinance.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 16 August 2011, for the preparation of the financial statements in accordance with Hong Kong Financial Reporting Standards; in particular the financial statements are fairly presented in accordance therewith.
3. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable us to ensure that the financial statements comply with the Companies Ordinance. We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
4. All the books of account and related data have been made available to you for the purpose of your audit and all the transactions undertaken by the company have been properly reflected and recorded in the books of account. All other relevant records and related information including minutes of all management and shareholders' meeting, have been made available to you.
5. All events subsequent to the date of the financial statements and for which Hong Kong Financial Reporting Standards require adjustment or disclosure have been adjusted or disclosed.
6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Hong Kong Financial Reporting Standards.
7. We have disclosed all actual, hidden and contingent liabilities in the financial statements.
8. We confirm that none of the directors received any remuneration which should be disclosed pursuant to S383 of the Company Ordinance during the year.

For and on behalf
of the Board of Directors
