Dr. David Chao

Chairman

26th WONCA World Conference Bidding Committee

President

Hong Kong College of Family Physicians

Dear Dr. Chao,

Hong Kong's Bid for The 26th WONCA World Conference 2027

As the Dean of the Faculty of Medicine of the Chinese University of Hong Kong, it is indeed my great pleasure writing to lend my full support for the bid from the Hong Kong College of Family Physicians to host the 26th WONCA World Conference in 2027 in Hong Kong.

We fully recognize the pivotal role of well-trained family physicians in looking after patients with diverse health needs and the provision of continuous, comprehensive and patient-centred care in a health system. We hope that hosting the WONCA World Conference in Hong Kong will bring together local and international academics, healthcare professionals and healthcare leaders to engage in discussions and provide insights to further enhance the development of quality primary care in Hong Kong.

Hong Kong has an excellent track record in hosting international and regional conferences, thanks to our vibrant city culture, world-class communications and transport infrastructure and strategic position commercially and geographically. I have full confidence that the Hong Kong College of Family Physicians, with its excellent track record for bringing large-scale events to Hong Kong would make the 26th WONCA World Conference another resounding success.

Yours sincerely

Professor Francis K L Chan
