# Proud To Launch

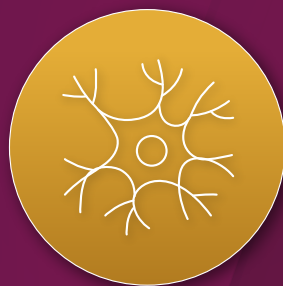

CARDIOVASCULAR

METABOLISM

RESPIRATORY

IMMUNOLOGY

ONCOLOGY

A brand new platform designed for you, granting instant access to the latest videos, presentations and resources across multiple therapeutic areas including

## CONGRESS MATERIALS

Hear doctors and scientists share their views on the data from international congress

## EVENT

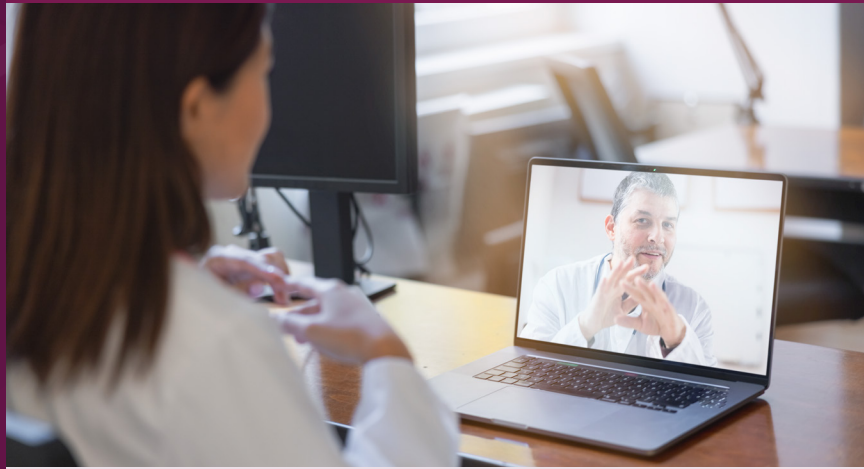

View a series of past expert-led webinars, and reserve your place at upcoming events

## INTERACTIVE TOOLS

Explore a selection of educational tools, including a 3D lung model to see the anatomical changes in asthma and COPD

## DISEASE EDUCATION

Access articles and video tutorials to broaden your knowledge and enhance your skills

And that's not all...the platform will be updated regularly  
So, take a minute and

Register Now!

for instant access to AZ HEALTHCARE PRO.  
You won't be disappointed
